UNIT 1

1.1. WORD GAME: FINGER ALPHABET

Get into groups of 3 to 5. Sit close to each other or make a small circle. Be ready to play the FINGER ALPHABET game. Choose 1 person to be the leader. He/ She is the one who will say: "Ready... Put one hand behind your back... Now, let me see your fingers!"

When instructed, each person should put out 0 to 5 fingers in the center. The leader will count how many fingers are shown. The number of fingers corresponds to the alphabet.

For example: 5 → E 8 → H 13 → M

Make a chart and try to fill up as many vocabularies as you can in the box sample such as below.

	ANIMALS	FRUITS	VEGETABLES	OCCUPATION
E			eggplant	
H	horse			
M				Manager

Do the FINGER ALPHABET game until the group has at least 10 alphabets to work on with.

Take 45 to 60 minutes of class time to decide on the alphabets and fill up the chart with as many vocabularies as you can. Don't forget to write your name at the top of your page.

When the time is up, exchange the filled out chart with a friend. Your friend should check with a dictionary if necessary to see if the vocabulary you have chosen is correct or not. Your friend should count how many vocabularies are correct and write it as a score at the bottom of the page with her/ his name as corrector.

The winner of the game is the one who can fill out the chart 100% with the right vocabularies.

1.2. WORD DEFINITION (A-E)

Look at these words. Circle the ones you do not know the definition of. When instructed, report to the class words you do not know. Help each other find out what the words mean by opening up a dictionary. Quiz each other the new words by mentioning the definition and translation. Choose 10 words to practice making sentences. Study the rest of the words at home. Be ready to be quizzed in the next class.

1.4. WORD UNSCRAMBLE

Word Unscramble is a fun and popular game. Unscramble is similar to other word games that ask the player to find words in several letters that have been scrambled up on a game board. Not only is this a great game to play for a fun time with your friends and family, but it can also add educational value by helping to add new words to your vocabulary.

Try to unscramble these words in 20 minutes!

Raise your hand when finished and report to the class your words.

Ekawati Marhaenny Dukut was born in Purwodadi Grobogan, 1 November 1966. She received her **Dra.** (doctoranda) degree from the English Department of Sanata Dharma University and **M.Hum.** (Magister Humaniora) as well as **Dr.** (doctorate) degree from the American Studies Graduate Program in Gadjah Mada University. Her thesis is in the area of Popular Literature whereas her dissertation is in Transnational Popular Culture.

She speaks English like a native speaker due to her upbringing in Gainesville, Florida, U.S.A. during some of her elementary years and in Townsville, North Queensland, Australia during her junior and senior high school years. Writing has been one of her hobbies. She has articles written and presented in international conferences and published in proceedings and journals. Her recent children's books "Aku Suka Sayur" (I Love Vegetables) series have been published by PT Gramedia. At her Faculty she has been the Chief Editor for a nationally accredited journal, *Celt: A Journal of Culture, English Language Teaching & Literature* ever since 2001. She has been a full time lecturer in the English Department, Faculty of Language and Arts in Soegijapranata Catholic University, Semarang ever since 1998. Teaching Vocabulary, Writing, Pronunciation, American Studies, Popular Culture, Graphic Novels, Gender Studies and Culture in Business has been her specialties over the years.

This book, *WORD EXPANSION: Exercises for Level 2 Students* is especially written for her Vocabulary students. Yet, the beginning to intermediate level of fun and games activities enclosed can also be used for Junior and Senior High School students.
