CHAPTER III

PLANNING

3.1. RESEARCH METHODOLOGI

The research methodology that I use is Field Research Methodology namely the direct conduct of research and observation of the object that is the server computer.

By way of researching and observing directly to a computer server which is mounted server os not with GUI (black screen) the authors could obtain the data required for this final project.

3.2. Project Management

Proses	Waktu (Minggu)			
	1 – 3	4 – 6	7 – 9	10 - 12
Install OS Ubuntu Server non GUI, SSHD, LAMP, and Webmin	▃			
Install Virtualbox and PHPVirtualbox		▃		
Testing Remote Server, Webmin, and PHPVirtualbox			▃	
Make Report of Final Project				▃
