

CHAPTER III

PLANNING

3.1 Research Methodologies

The author uses research methods directly to the computer to install the server and run it through a remote server. By running the server computer directly, the authors can find out and take the necessary data as part of a final project.

3.2 Project Management

Process	Times (Week)			
	1 - 3	4 - 6	7 - 9	10 - 12
Install OS Ubuntu Server non GUI, SSHD, LAMP, Webmin, Apache	█			
Install Virtualbox and PHPVirtualbox		█		
Testing Remote Server, Webmin, PHPVirtualbox			█	█
Report Final Project				█
