

# CHAPTER III

## PLANNING

### 3.1 Research Methodologies

The project was completed after going through several stages, they are:

1. Finding and collecting references to help complete this project.
2. Analyze the problem and create a good planing for building this project, including the algorithm and data struct
3. Implements data struct and algorithms mentioned
4. Test all the function in this project

### 3.2 Project Schedules

ACTIVITIES	OCTOBER				NOVEMBER				DESEMBER				JANUA RY	
	I	II	III	IV	I	II	III	IV	I	II	III	IV	I	II
