Total	4.06	441	High

Appendix 3

Interview

Q : I only use English to do my assignments and the exams. Agree or not?

Why?

A :

- No. I don't agree. I also use English to communicate with others and to watch and read any single thing that use English like movie, song, book and story. (KH, English Literature 2016)
- No. Because I also use English in social media, talking to my friends, and talking to my lecturers (AI, English Literature 2016)
- Disagree. I also use English for gaming (CA, English Literature 2017)
- Disagree, because I use English for any kind of things like writing and music (SG, English Literature 2016)
- Disagree. Because I also use English in my daily life and sometimes I use English to write a caption in my Instagram (JM, English Literature 2017)
- Disagree. I usually implement my English by reading novel every day. Even though not every hour I use English, at least I read English sentences or English novel in one chapter. I also like to listen to music especially pop music. I train myself to understand the meaning of the lyrics and find out some vocabularies that are not familiar with me. (AA, English Literature 2016)
- Disagree. Because I can use English to talk to foreigners. (YI, EP 2016)

- Disagree, sometimes I use English when I am playing a game, chatting with friends, update status (FD, Englishpreneurship 2016)
- Disagree. I work my job and listen to English songs, read English books so I didn't use English only for assignment (CH, Englishpreneurship 2016)
- Disagree. It is useless if we only use English during assignments and the exams (SF, Englishpreneurship 2017)
- Disagree. Because I also use English to listen to music, watch movie and write book (NM Englishpreneurship 2017)
- Disagree, because sometimes I also use English for my social media like Instagram (T, Englishpreneurship 2017)

Q : I always copy sentences directly from books/articles even though I do not understand the meaning. Agree or not? Why?

A :

- Not agree. Because sometimes I try to change the sentence with my own words to make it easier to be understood. (KH, English Literature 2016)
- No, because I know that copying something from books or articles will not improve my English skill at all (AI, English Literature 2016)
- Disagree. I prefer to copy the sentences I understand (CA, English Literature 2017)
- Agree, because I can learn more about it (SF, English Literature 2016)

- Disagree. If we want to copy paste sentence we need to know the meaning of the sentence itself. If we do not understand the meaning we can look for another sentence. (JM, English Literature 2017)
- Disagree. Since I have been taught to do citation in academic writing and I am realized that it is very awful to have exactly the same sentences or words taken from books or article, I decide to not always copy the sentences. I do citation or at least find different words to make it less similar with the original one instead (AA, English Literature 2016)
- Disagree. I prefer to arrange my own sentence. (YI, EP 2016)
- Disagree, when I do not know the meaning I will ask my friends or use google translate (FD, Englishpreneurship 2016)
- Disagree. Because copying directly means plagiarism and will not make us thinking ahead and critically (CH, Englishpreneurship 2016)
- Disagree. We need to understand the article that we copy. (SF, Englishpreneurship 2017)
- Agree. Because when I copy sentence I get new vocab (NM Englishpreneurship 2017)
- Disagree. Because when I copy sentence I need to know the meaning (T, Englishpreneurship 2017)

Q : I only read English materials that are related to my assignments. Agree or not? Why?

A :

- I don't agree. I will read English materials which are interesting to be read. (KH, English Literature 2016)
- No. Sometimes I read someone's caption on Instagram using English, sometimes I text my friend using English, I read book in English, and sometimes I watch movie using English subtitle (AI, English Literature 2016)
- Disagree. I read another English material that are not related to my assignment. So, I can enrich my knowledge (CA, English Literature 2017)
- Disagree because I sometime read fanfiction on English either (SF, English Literature 2016)
- Disagree, because I also read other material to improve my English skill. (JM, English Literature 2017)
- Disagree. To be honest I like to read English materials even though sometimes I am bored. Yet, I enjoy doing it. I like reading both romance and self-improvement novel in English. I also like to read news from BBC application in my phone. I used to read a newspaper like Jakarta post as well. (AA, English Literature 2016).
- Disagree. I like to read everything in English. (YI, EP 2016)
- Disagree, I usually watch Korean drama with English subtitle (FD, Englishpreneurship 2016)
- Disagree because I like to read and want to know more. So somehow, I also read English books in general. (CH, Englishpreneurship 2016)

- Disagree. I always read lots of English materials beside assignment (SF, Englishpreneurship 2017)
- Disagree. Because I need another reference from other materials to improve my English (NM Englishpreneurship 2017)
- Disagree. I also love to read another English book like novel (T, Englishpreneurship 2017)

Q : I learn English to pass my Diploma and to get a good job in the future. Agree or not? Why?

A :

- Agree but I also learn English because English is fun to be learn. Another reason is English can be used in anywhere. English is also needed in this era. If I can use and understand English well, I can get a better future than the others who do not use English. (KH, English Literature 2016)
- Yes. Since I'm studying in faculty of language and arts, I need to do anything in English. speaking in English, writing in English, listening English conversation, and so on. thus, if I want to graduate I should learn English well even though it is hard. (AI, English Literature 2016)
- Agree. Because English is the one of the important skills that will be used in the future in order to find job easier. (CA, English Literature 2017)
- Agree so I can get job in another country (SF, English Literature 2016)
- Agree. Because English is international language so the opportunity to get a job will be bigger (JM, English Literature 2017)

- Agree. The reason to choose English as my major is the realization of every sector of jobs in this world that requires the employees to have English ability both written and oral. English also spreads worldwide since there are a lot of international trading between countries. (AA, English Literature 2016)
- Agree. But that's not the only reason why I learn English, I want to get an international job. (YI, Englishpreneurship 2016)
- Agree. Because in the future English will be very important and I hope I can work abroad so I should be able to speak English (FD, Englishpreneurship 2016)
- Agree. But English is not the only way to pass my diploma. It's just as support because my majority is Englishpreneurship (CH, Englishpreneurship 2016)
- Agree. English also improve my skill (SF, Englishpreneurship 2017)
- Agree. For now, that is my goal to graduate and another reason is I also love to learn language (NM Englishpreneurship 2017)
- Agree. English is such an important lesson in life (T, Englishpreneurship 2017)

Q : I learn English language just because I am interested in furthering my higher education. Agree or not? Why?

A :

- Disagree. The first time I decided to learn English when I realized that English is very important. Unfortunately, my English score at the time was really bad. So, when I realized to improve my English, I decided to learn it. (KH, English Literature 2016)
- No. For me, to get a further experience in higher education, I cannot just rely on my experience in class or college. I need to improve it outside the classroom. I cannot just learn English from different side. (AI, English Literature 2016)
- Disagree. I learn English because there is a lot of benefit by learning it. (CA, English Literature 2017)
- Agree because I want to get my second bachelor with this. (SF, English Literature 2016)
- Agree. Because I also want to continue my education so this is become my foundation to achieve my goal. (JM, English Literature 2017)
- Disagree. I think it is important to have English as my basic language in seizing my master's in other country. But it is not my actual reason to learn English because building a successful career is my goal. (AA, English Literature 2016)
- Disagree. I learn English to speak fluently and can use it for daily life and works (YI, Englishpreneurship 2016)
- Disagree. English is not just for education. English can be used in our daily life. (FD, Englishpreneurship 2016)

- Agree. And I hope I can get scholarship outside (CH, Englishpreneurship 2016)
- Disagree. Because English is not only for furthering my education it also can help me to get more information about foreign country. (SF, Englishpreneurship 2017)
- Disagree. Because I like it so I learn it (NM Englishpreneurship 2017)
- Disagree. Because, learning English can give us more knowledge not only to higher education. (T, Englishpreneurship 2017)

Q : I learn English because it is important for traveling overseas. Agree or not? Why?

A :

- Agree. Because I want to travel overseas but I want to go alone. It means that I have to communicate with others by using the language that everyone knows and understands. I think that the language that I need to learn is English because everyone can understand this language. (KH, EL 2016)
- Yes. Since I like travelling and sometimes I meet foreigners. we can make some new friends. (AI, English Literature 2016)
- Agree. The language that will be used by the world citizen to communicate overseas is English. So, it's important. (CA, English Literature 2016)
- Agree since sometimes I like travelling (SF, English Literature 2016)

- Agree. Because English is international language so if we travel to other country and cannot speak English, we cannot communicate with other people (JM, English Literature 2017)
- Agree. Every country needs English as their communication. Even signs in airports use English. When lost in other country, it is important to communicate with the native citizens in a certain country to ask places. When ordering foods or snacks, English is used. Whether the people in a certain country use English well or not, it is crucial to understand at least basic conversations. (AA, English Literature 2016)
- Agree. Because English is the international language, if you want to go overseas, you need to be able to speak English as your helper to communicate. (YI, Englishpreneurship 2016)
- Disagree. Because we have google translate, and not all people know English language (FD, Englishpreneurship 2016)
- Yes, because English is an international language (CH, Englishpreneurship 2016)
- Agree. Because there are lots of English-speaking countries (SF, Englishpreneurship 2017)
- Agree. Because English is international language and English is also important to learn. (NM Englishpreneurship 2017)
- Agree, because I like to travel (T, Englishpreneurship 2017)

Q : I learn English to look more sophisticated and knowledgeable. Agree or not? Why?

A :

- Disagree. Because if I want to look more sophisticated and knowledgeable, I think I have to obtain all the knowledge in this world. I think I will feel so ashamed of myself if I only talk in English without knowing what I am talking about. (KH, English Literature 2016)
- No. For me to be looked as sophisticated and knowledgeable, you do not have to show it up. it automatically happens anytime you fluently talk or write in English, people will see u that you are able to use English well (AI, English Literature 2016)
- Agree. English is the first international language. If I can master it, I will be looked more knowledgeable. (CA, English Literature 2017)
- Agree because we can learn more about English. (SF, English Literature 2016)
- Agree. People will ask us to help them because sometimes many people think that if we learn English we are able to speak English well (JM, English Literature 2017)
- Disagree. I think being able to use English does not determined a person as a knowledgeable one. I personally tend to learn something new to improve my knowledge. I think a person can not only depend on the knowledge of English as a language but also how to use English be more beneficial. I do not feel learning English looks sophisticated even though I am proud to learn that language. (AA, English Literature 2016)

- Agree. By knowing how to speak English well, people tend to be fascinated by it. (YI, Englishpreneurship 2016)
- Disagree. I learn English because I need it in my future (FD, Englishpreneurship 2016)
- Disagree. I didn't learn English to look good but because simply I like learning foreign languages. (CH, Englishpreneurship 2016)
- Agree. It is cooler if you can speak more than one foreign language (SF, Englishpreneurship 2017)
- Agree. Because English is important (NM Englishpreneurship 2017)
- Agree. Because many people I know cannot speak English and they tend to find me when they need to translate English (T, Englishpreneurship 2017)

Q : I learn English to have a better career in the future. Agree or not? Why?

A :

- Agree. Because I think the job opportunities that I'm looking for will be limited if I only use my native language. It is very different if I can speak English fluently because it makes me able to look for jobs outside of my home country. Moreover, there are many companies that adopt English as their requirement. (KH, English Literature 2016)
- Agree. Since English connects everyone and every company in this world (AI, English Literature 2016)

- Agree. I can enlarge my opportunity in finding a better career with mastery of English. (CA, English Literature 2017)
- Agree I can talk with my internet friend (SF, English Literature 2016)
- Agree. Because I learn English to have a better future, after I graduate I want to be a lecture because I think become a lecture is a good job. (JM, English Literature 2017)
- Agree. Working with other people need English. Especially if we work in an international company where we need to deal with not Indonesian speaking employers or employees. (AA, English Literature 2016)
- Agree. Having ability to talk in English tend to get higher position in an office, so it can lead to more success and achievements. (YI, Englishpreneurship 2016)
- Agree. English is so important right now, speak English fluently can improve our quality when applying for a job (FD, Englishpreneurship 2016)
- Yes, because if we are able to speak English we can work or build a relationship with foreign company (CH, Englishpreneurship 2016)
- Agree. By learning English, I can have a better career in the future and might be promoted. (SF, Englishpreneurship 2017)
- Agree. We need to able to speak fluent when we work, so I think if I learn English I will be able to speak and it can help me to have a better career (NM Englishpreneurship 2017)
- Agree. I really want to be an English teacher (T, Englishpreneurship 2017)

Q : I learn English because it can lead to more success and achievements in life. Agree or not? Why?

A :

- Disagree. Actually, I learn English because I want to know more about the English article that I read. I've told you that I once was very bad in English so I couldn't be able to understand every single thing used English. I was so frustrated at the time because I needed to understand the article but I could not do that because of its language. It makes me decided to learn about English. I think the success and achievements in life are the plus point when I learn this language (KH, English Literature 2016)
- Yes. This world needs more people whose English is really good and incredible. (AI, English Literature 2016)
- Agree. It will help so much because the more ability I master the better success and achievements that I will get. (CA, English Literature 2017)
- Agree because my knowledge about English getting better than before (SF, English Literature 2016)
- Agree. Because people who have English skill will get easier to achieve success (JM, English Literature 2017)
- Agree. I really desire to have a job in other country such as Australia or NZ, Canada and Europe. I think it will help myself develops better. I can have a job that interests me and the most important thing is to have high salary. To achieve all of that, of course I need my English ability to be strong enough. (AA, English Literature 2016)

- Agree. Since English is one of International languages and important to use, fluent in English can lead to more success (YI, Englishpreneurship 2016)
- Disagree. Success is not only from language but from effort (FD, Englishpreneurship 2016)
- Yes, because lot of chances from other countries to grab (CH, Englishpreneurship 2016)
- Agree. Because English is international language and with learning English we can work in other country not only in Indonesia (SF, Englishpreneurship 2017)
- Agree. Because English is important now days so it can help us to be success (NM Englishpreneurship 2017)
- Agree. My work at the moment is using English all the time (T, Englishpreneurship 2017)

Q : I learn English because being proficient in English makes other people respect me. Agree or not? Why?

A :

- Disagree. I think the reason why people respect someone is not because of the language but because of the ones' behavior. I also think that there is no one who will respect me if I talk something bad in English and they understand it (KH, English Literature 2016)

- No. There is no theory talking about being respected is based on how well you speak/write in English. it depends on your personality and behavior whether you are worth to be respected or not (AI, English Literature 2016)
- Agree. They will think that I am a knowledgeable person (CA, English Literature 2017)
- Agree because with English I can learn about the others culture from another country. (SF, English Literature 2016)
- Agree. In a work, if I can speak English people will respect and trust me to do a work (JM, English Literature 2017)
- Agree. Being proficient in English can boost people's appreciations to us. If I am able to use English fluently when speaking or write amazing articles in English, people will give you appreciations. It will also influence their capacity to respect us. (AA, English Literature 2016)
- Agree. Able to speak English fluent is prestigious (YI, Englishpreneurship 2016)
- Disagree, I learn English for my future (FD, Englishpreneurship 2016)
- I do not care whether people respect my English or not. I want people respect me for myself not only because I can speak English. (CH, Englishpreneurship 2016)
- Disagree. Because people will not judge someone by their language skill (SF, Englishpreneurship 2017)
- Agree. Because people that can speak English will look more intelligence so people will respect (NM Englishpreneurship 2017)

- Agree. Because English is an important language to be learnt (T, Englishpreneurship 2017)

Q : Studying English enables me to understand English books, movies, pop music etc. agree or not? Why?

A :

- Agree. I am able to understand English movie, book, and music without reading the subtitle or translation. It makes me be able to enjoy the movie or music or everything related to English. (KH, English Literature 2016)
- Sure. We can learn English from so many resources. we just need to encourage ourselves and develop it. (AI, English Literature 2016)
- Agree. It helps me to learn a lot of vocabulary (CA, English Literature 2017)
- Agree because the more I listen music and etc., I am become more understand (SF, English Literature 2016)
- Agree. At the faculty, we learn about grammar and when we listen to music I become more understand that sometimes the grammar from the lyric of the song is wrong (JM, English Literature 2017)
- Agree. I cannot depend on what I learn in school. I help myself to improve my English by books movies and music. So, I think English helps me a lot. (AA, English Literature 2016)
- Agree. I learn English, learn the basic structure. So, I am able to comprehend English book, movies etc. (YI, Englishpreneurship 2016)

- Agree. Since I studying English I can find out the contents of an English song easily (FD, Englishpreneurship 2016)
- Indeed, because if we can't understand a word, we can learn by searching and elaborates more (CH, Englishpreneurship 2016)
- Agree. I can understand the mean of the music, not only their lyric. (SF, Englishpreneurship 2017)
- Agree. When we listen to music or watch a movie, we try to understand the meaning and from this we can get more vocab in English. (NM Englishpreneurship 2017)
- Agree. Because I have learned English so I can watch a movie without subtitle (T, Englishpreneurship 2017)

Q : Studying English enables me to better understand and appreciate the ways of life of native English speakers. Agree or not? Why?

A :

- Agree because when I communicate with my friends who are the native English speaker, I also learn about their ways of life and I can understand their life after talk it deeper. So, I think English help to understand it better. (KH, English Literature 2016)
- Yes. because in studying English we also learn about their culture and how culture shock happens. we can understand how and why they do something like that, how and why they do something like this, and why we do not do what they do (AI, English Literature 2016)

- Agree. I don't just learn the grammar or formal knowledge in English. I also learn the foreigner's culture. (CA, English Literature 2017)
- Agree I can speak with my internet friends with English. (SF, English Literature 2016)
- Agree. Because in the class, lecture also teach us about the ways of life of native speaker so we can appreciate them (JM, English Literature 2017)
- Agree. It is proven. I used to have difficulty in listening native speakers in audio, video and direct meeting because I have not adjusted with their accents and intonations. When in FLA I have learnt to listen native speakers and understand their intentions or their purposes. I also can adjust myself to understand and appreciate their ways of speaking based on their accents and intonations. (AA, English Literature 2016)
- Agree. Because foreign acquaintances need English to understand what I am saying. (YI, Englishpreneurship 2016)
- Agree. We will know more about English and their ways of life (FD, Englishpreneurship 2017)
- Yes of course because their biography and opinion are in English and it makes me learn something new and good probably. (CH, Englishpreneurship 2016)
- Agree. English-speaker have different life philosophy, they are more flexible and hard-working. (SF, Englishpreneurship 2017)
- Agree. Because we not only learn about their language but also learn about their way of life (NM Englishpreneurship 2017)

- Agree. Because learning English is not only learning about language but also learn about their ways of life and their culture. (T, Englishpreneurship 2017)

Q : Studying English enables me to keep in touch with foreign acquaintances. Agree or not? Why?

A :

- Agree. Because English help me to communicate with foreign acquaintances. Even though my English is not perfect they can understand it and help me to improve it. (KH, English Literature 2016)
- Yes. I have more than 5 friends from other country. (AI, English Literature 2016)
- Agree. By mastering English, I can communicate with them better (CA, English Literature 2016)
- Agree I have so many internet friends from other country (SF, English Literature 2016)
- Agree. If we have a friend from other country we get more experiences (JM, English Literature 2017)
- Agree. It is true but I personally do not have any foreign acquaintances. But my friends' experience has proven that English help them to communicate globally with foreigners. (AA, English Literature 2016)
- Agree. English makes things easier. (YI, Englishpreneurship 2016)

- Agree, usually foreign people speak English (FD, Englishpreneurship 2017)
- Of course. I like meeting someone from overseas (CH, Englishpreneurship 2016)
- Agree. I have some friends and business partner from some countries such as Japan and China. I could not speak their language so do them, so we speak English (SF, Englishpreneurship 2017)
- Agree, because learning English make us have a friend from other country (NM Englishpreneurship 2017)
- Agree. My work is using English all the time, so I communicate with foreign acquaintances (T, Englishpreneurship 2017)

Q : Studying English enables me to discuss interesting topics in English with the people from other national backgrounds. Agree or not? Why:

A :

- Agree. Because I study English, I am confident to talk to other people from other national backgrounds. It is because I can talk and understand their sentences better. (KH, English Literature 2016)
- Yes sure, we can talk anything in English without thinking about the grammar or sentence pattern (AI, English Literature 2016)
- Agree. Because English is the connector between us to communicate with each other. (CA, English Literature 2017)

- Agree I can learn more better about their country and culture. (SF, English Literature 2016)
- Agree. Because I join in a group where all people in that group speak English, so we sometimes discuss interesting topics. (JM, English Literature 2017)
- Agree. We communicate in English and help each other to implement our ability in English with vocabs and grammars that have been taught in school. (AA, English Literature 2016)
- Agree. English is neutral language for all people over the world to communicate (YI, Englishpreneurship 2016)
- Agree, we can exchange stories about the culture of each country (FD, Englishpreneurship 2016)
- Yes. Their opinion is amazing (CH, Englishpreneurship 2016)
- Agree. We can discuss and get something new (SF, Englishpreneurship 2017)
- Agree. We can share information with people from other country (NM Englishpreneurship 2017)
- Agree. A lot of reliable news from other countries that we discuss sometimes (T, Englishpreneurship 2017)

Q : Studying English enables me to transfer my knowledge to other people e.g. giving directions to tourists. Agree or not? Why?

A :

- Agree. It is easier to talk with foreign people in a proper English. If I do not learn English well, I cannot communicate with them and cannot understand what they are talking about. (KH, English Literature 2016)
- Yes, as long as they understand us and our information is eligible (AI, English Literature 2016)
- Agree. By mastering English, I can communicate with them in order to transfer my knowledge. (CA, English Literature 2017)
- Kind of agree since I still learn about them (SF, English Literature 2016)
- Agree. Learning English help me to share about culture, food and many more about Indonesia to tourist (JM, English Literature 2017)
- Agree. As I mentioned before, we communicate in English and help each other to implement our ability in English (AA, English Literature 2016)
- Agree. Tourist are only able to speak English in a foreign country (YI, Englishpreneurship 2016)
- Agree. I have done that before, when I was in Bali (FD, Englishpreneurship 2016)
- Yes. Definitely because lot of foreigners come but lack of people can speak English. Maybe they understand but won't brave enough (CH, Englishpreneurship 2016)
- Agree. It will help our country, we promote our country using English to foreigner. (SF, Englishpreneurship 2017)
- Agree. Because, when we learn English we able to speak English and we can help tourist (NM Englishpreneurship 2017)

- Agree. I have done this couple of time (T, Englishpreneurship 2017)

Q : Studying English enables me to participate freely in academic, social, and professional activities among other cultural groups. Agree or not? Why?

A :

- Agree. Because in study English, I am confident to talk to other people from other national backgrounds. It is because I can understand their sentence better. (KH, English Literature 2016)
- Agree. Because English is an International language we can use it to connect with other people in any aspect (AI, English Literature 2016)
- Agree. Because I think that I have the ability to help me participate (CA, English Literature 2016)
- Agree because I learn about the inappropriate and appropriate about the culture better. (SF, English Literature 2016)
- Agree. Learning English help us become more easy to join in academic among other culture (JM, English Literature 2017)
- Agree. An organization called AIESEC helps students who want to expand their relations with foreigners. I know this from my friends' experiences. I personally haven't tried it but I think English enables us to participate in activities that require cultural understanding (AA, English Literature 2016)
- Agree. English is prestigious and if you are able to speak fluently, people tend to look at you as capable person so it enables me to participate more in social activities (YI, Englishpreneurship 2016)

- Agree. International activities usually use English for the language (FD, Englishpreneurship 2016)
- Yes, because UNIKA also has darmasiswa programs which is good. (CH, Englishpreneurship 2016)
- Agree. By knowing English, we could do any activities more flexible (SF, Englishpreneurship 2017)
- Agree, because study English can help us to join student exchange (NM Englishpreneurship 2017)
- Agree. English helps us join their social life. (T, Englishpreneurship 2017)

Q : Studying English enables me to behave like native English speakers: e.g. accent, using English expressions. Agree or not? Why?

A :

- Agree. When I learn English, I also learn about accent, its expressions etc. (KH, English Literature 2016)
- Yes. For example, I like Australian English and I really like to learn about their slang and accent. I also know that Australian English is similar with British even though they have a little difference but I learn lot and try to imitate their accent sometimes (AI, English Literature 2016)
- Agree. Still have a mistake about them (SF, English Literature 2016)
- Agree. Because when we talk to tourist our accent is not mix with our local accent (JM, English Literature 2017)

- Agree. I learn idioms myself. It helps me to understand some expressions that rare to be used. Sometimes I used it in my mind by mentioning what idioms or expressions that are suitable with a certain condition. I also understand how to pronounce well with American or British accent. (AA, English Literature 2016)
- Agree, even though it is still in process YI, Englishpreneurship 2016)
- Agree, studying English not only study the language but also the expression, pronunciation and many more (FD, Englishpreneurship 2017)
- Yes, to be as perfect as we can (CH, Englishpreneurship 2016)
- Agree. Studying English means also studying their culture, so we will adopt their accent and expression (SF, Englishpreneurship 2017)
- Agree. Because at the faculty we also learn about accent and using English expression (NM Englishpreneurship 2017)
- Agree. But we should not leave our Asian culture (T, Englishpreneurship 2017)

Q : Studying English enables me to appreciate English arts and literature. Agree or not? Why?

A :

- Agree. When I learn English, I become more aware about the real meaning of English arts and literature. (KH, English Literature 2016)

- yes. Of course. since English is a part of language and there is an art in language and it is really unique. I cannot describe it. (AI, English Literature 2016)
- Agree, I can learn more about poems and culture in English. (SF, English Literature 2016)
- Agree. We can appreciate their culture and arts (JM, English Literature 2017)
- Agree. I have had knowledge in understanding some exciting literatures especially old poems and novels. I very appreciate the writers who have made my mind blow for their amazing writings. (AA, English Literature 2016)
- Agree. Learning English makes me know more vocabs so I can understand more literature (YI, Englishpreneurship 2016)
- Agree, because English is not easy (FD, Englishpreneurship 2016)
- Yes, because again. we can read so can understand their mindset (CH, Englishpreneurship 2016)
- Agree. Because as I mention before, Studying English means also studying their culture. So, it might appreciate English arts and literature (SF, Englishpreneurship 2017)
- Agree, because in learning English we also learn about arts and literature (NM Englishpreneurship 2017)
- Agree. If we understand English, we can appreciate their art and literature. (T, Englishpreneurship 2017)

Q : Studying English helps me to be an open-minded, and sociable person like English speaking people. Agree or not? Why?

A :

- Agree. I think I become more open minded after trying to communicate with foreign people. I realize I have to appreciate the way of their life. (KH, English Literature 2016)
- No for this one it depends on individual's personality (AI, English Literature 2016)
- Agree I have some people with open minded about English and always liked to share them with me (SF, English Literature 2016)
- Agree. We learn English, we can communicate with other people from other country and we can understand their culture and we become more open-minded. (JM, English Literature 2017)
- Agree. In learning English, it is important to apply the knowledge. I feel that speaking with friends in English helps me to be more open in delivering messages opinions or suggestions. Even though it is difficult to choose correct vocabs or grammars but it trains our brains to be creative. (AA, English Literature 2016)
- Agree. Since learning English needs to explore thing in the internet, I have been open minded and updated (YI, Englishpreneurship 2016)
- Agree, because we will be known more about English (FD, Englishpreneurship 2017)

- Yes. They would like to listen to people so by that I understand that if we want to be heard. We should hear them first (CH, Englishpreneurship 2016)
- Agree. English speaking people always open their mind with something new. I always try to be open with something new. (SF, Englishpreneurship 2017)
- Agree. Learning English make us become more open-minded because we also discussion about something out of the box. (NM Englishpreneurship 2017)
- Agree. Learning English means learning about their way to think so we can understand their life. (T, Englishpreneurship 2017)

Q : I am determined to study English as best as I can to achieve maximum proficiency. Agree or not? Why?

A :

- Agree. I know that my English is not perfect but I want to learn it deeper (KH, English Literature 2016)
- Agree, since improving English skill is really useful so I will do it at my very best (AI, English Literature 2016)
- Agree. Because it will give me a lot of benefit (CA, English Literature 2017)
- Agree because it can help me to improve my English. (SF, English Literature 2016)

- Agree. Learning English make us easy to find a job, so I need to achieve my goal (JM, English Literature 2017)
- Agree. To be an advanced one will be beneficial in building career and expand our relations. It will make family proud and interest employers to recruit us. (AA, English Literature 2016)
- Agree. Because I am studying English in SCU to be fluent in English (YI, Englishpreneurship 2016)
- Agree. I want to maximize my ability to speak English (FD, Englishpreneurship 2017)
- Of course. Being the champion is the best (CH, Englishpreneurship 2016)
- Disagree, as long as I feel I already do the best it is ok (SF, Englishpreneurship 2017)
- Agree. English is important and we need to work hard for it (NM Englishpreneurship 2017)
- Agree. Learning English is one of my achievements. (T, Englishpreneurship 2017)
