## ABSTRACT

There are many ways for people to express their feelings. People can speak in front of audiences, and on air in a radio. When people speak, they can give action performed by their languages. Many people can use speech act including the minister in a church delivers the sermon.

There are five types of speech acts. Types of speech acts are: declaration, representative, expressive, directive, and commissive. The aims of this study are to find out types of speech acts, moves, and rhetorical functions mostly used in the introductory part of the five ministers' sermon.

This study used qualitative method. Then, the participants for this study are the five ministers who delivered the sermon in *Tanah Mas Isa Almasih* Church.

The result of the study shows the data of speech acts are declarative (0%), representative (41.5%), expressive (39%), directives (17.1%), and commissives (2.4%). Then, the results for the moves are: opening marker (19.6%), gambit (19.6%), and relation to the Scripture (19.6%), proposition (13%), transition (6.5%), and prayer (21.7%). For the rhetorical function, the results are: cause- effect (13.7%), comparison- contrast (1.9%), definition (7.8%), description (54.9%), enumeration (15.6%), and exemplification (5.8%).

## ABSTRAK

Ada banyak cara bagi orang banyak untuk mengekspresikan perasaan mereka. Orang-orang dapat berbicara di depan para penonton dan berbicara melalui siaran di sebuah radio. Ketika orang-orang berbicara, mereka dapat memberikan tindakan yang ditunjukkan melalui bahasa mereka. Banyak orang dapat menggunakan speech act termasuk pendeta di sebuah gereja ketika menyampaikan kotbah.

Ada lima macam speech acts. Lima macam speech acts itu adalah: declaration, representative, expressive, directive, and commissive. Tujuan dari penelitian ini adalah untuk menemukan jenis speech acts, moves, dan rhetorical functions yang paling sering digunakan di bagian awal kotbah dari lima kotbah pendeta.
