## Lovely words

The power of giving is the best thing I knew in my life. There are always times to think that life is too short to make it so complicated. I have a great life with everybody that I love in it. So strong, but always make me remember that I can't live without them...

*(Dyah widy)*

*Di sini dapat kulihat wajah wajah mereka..*

*Tersenyum, tertawa, murung, gelisah, rindu, marah, sedih, galau, penuh amarah, suka cita.. apapun ...*

*Dari sini pula aku dapat mengerti dan mengenal ciptaan Tuhan yang dapat membawaku dalam langkah ini*

*Tak ada aku, kamu, saya atau anda..*

*Yang ada hanya serambut jarat namun tak nampak*

*Dari balkon biru ini aku melihat dari kejauhan pucuk pohon yang menari bersama angin diantara hangatnya sinar mentari*

*Dari balkon ini pula aku melihat dia yang duduk terdiam dan kadang tertawa diantara mereka. Hanya sepucuk nama yang ku dapat dan kenangan tentangnya, tak lebih...*

*Dan dari balkon ini pula aku dapat berbahagia karna mendapat kenangan indah yang akan tetap melekat dan akan selalu dapat aku ingat..*

*Dibalik memori indah*

### Abstract

*Kesatrian 1* Senior High School at this time is one of the being pioneers of the international standardized school which is called as *Rintisan Sekolah Berbasis Internasional*. In this class, both teachers and students use English and Indonesian languages. There are some lessons which use English as their medium of instruction. They are: Math, Physics, Chemistry, Biology, Economics, and Computer. This research is aimed to find out the students' perception on the use of English in the teachers' teaching of the subjects. There are 113 students from four classes.

The writer used closed questioners which consist of 15 questions for each subject to know the students' perception on the use of English in teaching some subjects. The result shows that the students perceive that the computer, physics and biology teachers do not use English maximally in their teaching activities as the mean is 1.97 for computer, 2.67 for physics and 2.93 for biology. However, the students perceive that their mathematics, chemistry and economics teachers use English as the average of the mean is 3.26; 3.26; 3.36 respectively

## Abstrak

SMA Kesatrian 1 adalah salah satu SMA perintis untuk program RSBI (*Rintisan Sekolah Berbasis Internasional*). Di kelas ini, guru dan murid menggunakan bahasa Inggris dan bahasa Indonesia. Bahasa Inggris dipakai dalam pelajaran matematika, fisika, kimia, biologi, ekonomi dan komputer. Penelitian ini bertujuan untuk mengetahui persepsi murid terhadap pemakaian bahasa Inggris oleh guru yang mengajar pelajaran tersebut. Ada 113 murid RSBI kelas 1 yang menjadi populasi dalam penelitian ini.

Penulis menggunakan kuesioner tertutup yang terdiri dari 15 pertanyaan untuk setiap mata pelajaran. Hasil menunjukkan bahwa guru komputer, fisika, dan biologi tidak memakai bahasa Inggris secara maksimal karena rata rata adalah 1.97 untuk komputer, 2.67 untuk fisika dan 2.93 untuk biologi. Sedangkan murid menganggap bahwa guru matematika, kimia dan ekonomi telah menggunakan bahasa Inggris secara memadai dengan rata rata 3,26; 3,26; 3,36.
