## **ACKNOWLEDGMENTS**

First, I would like to thank Jesus Christ. He always blesses and guides me to finish my thesis. I would like to thank my major sponsor, Heny Hartono, SS, M.Pd and my co sponsor, Emilia Ninik A. SP, M.Hum. who faithfully spent their time to guiding me in accomplishing my thesis. Both of them give me ideas to my thesis and help me in correcting the grammar and format of my thesis.

Furthermore, I would like to thank my beloved family, father, mother, brother and my sister for supporting me in accomplishing this thesis. They sincerely provided all things that I needed and they also prayed for my success in finishing the thesis.

In the thirth place, I would like to show my gratitude to the parents who helped me to fulfill and be interviewed with pleasure, especially for my cousin, Nathalia who has helped me by giving me ideas for this thesis. She give me the best way to know more about toddler from my interviewed with the parents and she invite me to observe directly her daughter when learning English.

In the fourth place, I would like to express my gratitude to my best friends in this faculty are: Devina and Debby. Thanks a lot for Devina for being loyal friends to accompany me to go to campus. For Debby, thanks to give me support when I was down and stressed. Without you guys, I did not know how to complete this thesis until I finished it.

Finally, I would like to thank for people who helped me in finishing this thesis. I could not mention one by one in this part. Hopefully, this thesis will be additional insights for everyone who reads it.

## **ABSTRACT**

Instead of the fact that toddlers may learn English as a Second language in some different events and time, there will be some specific strategies to learn English which may be very dominant. This study is conducted to find out the strategies used by parents to support his/her toddler in learning English as a second language. This study is a qualitative study. The participants are 32 parents whose toddlers are learning English in Daniel Creative School Semarang. The study is based on Clark (2009, p. 13) and McLaughlin (1992 as cited in Jones, 2002, p.3).The writer finds that all parents use all the strategies. There are twelve strategies that are used by parents whose toddlers study in Daniel Creative School. The most dominant strategy that is chosen by parents is the second strategy which is giving new English vocabularies as parents can use technology and media to give new English words to their toddlers.

## **ABSTRAK**

Disamping fakta bahwa banyak balita mempelajari Bahasa Inggris dalam berbagai acara dan waktu, terdapat beberapa strategi khusus yang dominan untuk mempelajari Bahasa Inggris. Studi ini dilakukan untuk menemukan strategi yang digunakan oleh orang tua dalam mengajari anaknya bahasa Inggris. Studi ini merupakan studi kualitatif. Responden dari studi ini meliputi 32 orang tua yang anak-anaknya mempelajari Bahasa Inggris di Daniel Creative School Semarang. Studi ini berdasarkan pada Clark (2009, p. 13) and McLaughlin (1992 as cited in Jones, 2002, p. 3). Penulis menemukan bahwa semua orangtua menggunakan semua strategi tersebut. Terdapat dua belas strategi yang digunakan para orang tua untuk mendukung anak mereka dalam belajar Bahasa Inggris. Strategi yang paling dominan yang digunakan oleh para orang tua ialah memberikan kosa kata baru dalam Bahasa Inggris. Para orang tua memanfaatkan media teknologi untuk memberikan kosa kata baru tersebut.
