7. What do you think about natural based cosmetics in comparison to chemical based cosmetics?
8. How do you feel with your own natural beauty?
9. What do you think of women who feel more comfortable with their natural beauty than the use of make-up?
10. What do you think about women who always put on heavy make-up when they go out?

APPENDIX 2

1. What is the definition of natural beauty according to you? (RE)

Respondent 1 says natural beauty to her is when a woman looks beautiful with or without make up. If she has pretty face by birth, it is natural beauty. But if she puts on natural make up, she can still say that she is naturally beautiful. As long as the make up is not too much, a woman can be considered having natural beauty.

Respondent 2 says natural beauty is beauty with or without make up.

Respondent 3 says natural beauty is having a strong personality that can make her being admired.

Respondent 4 says natural beauty means being beautiful without the help of make up.

Respondent 5 says the beauty that comes from the inside and outside. It does not have to be like what people told because natural beauty is related to use something natural rather than unnatural.

Respondent 6 says beauty without any make up. Beauty which come from the heart.

Respondent 7 says the beauty that is obtained in natural way without any make up touch.

Respondent 8 says natural beauty is beauty, which comes from inside of our body.

Respondent 9 says natural beauty is about being beautiful without any make up. Natural beauty is about the balance between body and soul.

Respondent 10 says it is beauty without any make up.

Respondent 11 says natural beauty is not using cosmetics and we can see the true beauty.

Respondent 12 says natural beauty is having white skin, slim, and fresh in natural way.

Respondent 13 says I she thinks natural beauty is not talking about physical appearance but it is talking about what inside a woman's heart is.

Respondent 14 says it is the beauty that we obtain from inside without any addition from the outside (make up).

Respondent 15 says natural beauty is being grateful and happy for what we have got.

Respondent 16 says natural beauty is everything based on the eyes of the beholder.

Respondent 17 says natural beauty is a kind of beauty that comes from the heart with no excessive make up.

Respondent 18 says beauty from inside our body not only face but also from inside (not using make up).

Respondent 19 says natural beauty is inner beauty from someone's intelligence, attitude, etc.

Respondent 20 says natural beauty is the real appearance of a woman without any make up.

Respondent 21 says natural beauty is beauty that is shown not only from outer but also from inner appearance.

Respondent 22 says natural beauty means being beautiful without the help of make up.

Respondent 23 says natural beauty is beauty without the use of make up.

Respondent 24 says natural beauty is beauty, which achieved in a natural way.

Respondent 25 says natural beauty is beauty that comes from the heart with no excessive make up.

Respondent 26 says natural beauty includes inner beauty and outer beauty.

Respondent 27 says natural beauty means being beautiful without make up.

Respondent 28 says the beauty that is gotten from natural way.

Respondent 29 says natural beauty means having natural look without any touch of make up.

Respondent 30 says natural beauty is the real appearance of a woman without any make up.

2. What do you think of being beautiful with natural cosmetics can be more popular than chemical cosmetics? (SA)

Respondent 1 says she thinks being beautiful with natural cosmetics will need a long process. For example is when you want to make your skin lighter, you may use yam bean etc. But she thinks it will take a long time to get the result meanwhile there are so many products that make most women believe with the ads because she thinks the chemical product promises an instant result. But when it comes to safety, she thinks that natural cosmetic is better.

Respondent 2 says she disagrees with this idea because a lot of people like using natural make up better than chemical.

Respondent 3 says she agrees with it because almost all natural cosmetics have no bad effect and they are safe.

Respondent 4 says she agrees with it because natural cosmetics are safe for women.

Respondent 5 says being beautiful with natural cosmetics can be more popular because it almost has no side effect to the user. So, the user will tend to use natural one rather than chemical for their own good.

Respondent 6 says because people say natural cosmetics are safer than chemical cosmetics

Respondent 7 says it is good. We do not need to have much make up to beautify our face because we can look like a clown.

Respondent 8 says natural cosmetics are very safe for women.

Respondent 9 says natural cosmetics are safe and they work for enhancing our beauty.

Respondent 10 says chemical cosmetics are dangerous for women.

Respondent 11 says natural cosmetics contain ingredients, which help human to protect their skin naturally. Chemical cosmetics contain chemical ingredients that sometimes can be harmful for human.

Respondent 12 says she disagrees with this idea because she thinks chemical cosmetics are more effective.

Respondent 13 says she agrees with it because natural cosmetics are safe for women.

Respondent 14 says she agrees with it because natural cosmetics are safe for women.

Respondent 15 says she agrees because she prefers being beautiful naturally as others do because natural cosmetics are safer and have fewer side effects.

Respondent 16 says she agrees with this idea because being beautiful with natural cosmetics can be safer in a long period.

Respondent 17 says natural cosmetics are healthier and contain less dangerous substances.

Respondent 18 says she thinks using natural cosmetics is healthier for our skin.

Respondent 19 says she thinks without putting on so much cosmetics, women can still be beautiful. Moreover if women use natural cosmetics to enhance their beauty.

Respondent 20 says because natural cosmetics are safe for women.

Respondent 21 says being beautiful with natural cosmetics can be more popular.

Respondent 22 says because natural cosmetics are safe for women.

Respondent 23 says natural cosmetics are healthier.

Respondent 24 says chemical cosmetics are dangerous.

Respondent 25 says she agrees with it because natural cosmetics are safe for women.

Respondent 26 says because natural cosmetics are safe for women.

Respondent 27 says being beautiful with natural cosmetics can be better and safer.

Respondent 28 says she thinks using natural cosmetics is healthier for our skin.

Respondent 29 says natural cosmetics are healthier.

Respondent 30 says chemical cosmetics are not always safe for our skin.

3. What do you think of makeup is the most powerful tool to enhance beauty?
(TR)

Respondent 1 says she agrees that make up is the most powerful tool to enhance beauty. She likes make up and she feels unconfident when she uses nothing on her face at least she uses thin powder. That is all.

Respondent 2 says she agrees that make up can make the girl look more interesting.

Respondent 3 says she agrees because by using make up, we can hide our lack and for some women, make up can make them feel confident.

Respondent 4 says she strongly disagrees with the idea.

Respondent 5 says she disagrees with it because the ads do something to create images which people can only dream of them.

Respondent 6 says she disagrees with it because beauty itself does not have anything to do with physical appearance.

Respondent 7 says she disagrees with it because the real beauty is from our brain and behavior. It is useless to have much touching of make up to our face. Make up is just for physical beauty and it also depends on the situation.

Respondent 8 says she does not think so because make up does not make us look perfect. It is just a picture like.

Respondent 9 says she disagrees with it because make up is just a mask to cover our lack.

Respondent 10 says she disagrees with it because make up is not the ultimate way to make us beautiful.

Respondent 11 says she disagrees with it because make up is just a camouflage although it is sometimes used by women to make her feel confident but it cannot change their true beauty.

Respondent 12 says she disagrees with it because by using make up, those women can fool everybody with their fake beauty.

Respondent 13 says she disagrees with it because beauty is not always a physical appearance but it is more what on the inside is.

Respondent 14 says she disagrees with it because make up can only beautify what on the outside is. This is not the power of beauty.

Respondent 15 says she disagrees with it because there are a lot of things that can enhance beauty such as good manner, good attitude, inner beauty, etc.

Respondent 16 says she disagrees with it because make up is not the only way to define beauty.

Respondent 17 says she disagrees with it because sometimes without make up, women can still look good.

Respondent 18 says she disagrees with it because make up is only used for certain occasions like party, birthday event, show, etc not for daily uses.

Respondent 19 says she does not think so. Make up is fake and true beauty does not need any touch:

Respondent 20 says she is not in line with this opinion because make up does not show women's real color.

Respondent 21 says she disagrees with it because make up is not like natural beauty. It is fake.

Respondent 22 says she does not agree because make up covers our lack.

Respondent 23 says she disagrees with it because natural beauty with inner beauty is better.

Respondent 24 says she disagrees with it because she prefers natural beauty.

Respondent 25 says she disagrees with it because make up is just to cover our lack.

Respondent 26 says she is not in line with this opinion because make up does not show women's true color.

Respondent 27 says she disagrees with it because make up is just a camouflage

Respondent 28 says she disagrees with it because by using make up, those women can fool everybody with their fake beauty.

Respondent 29 says she disagrees with it because make up is only used for certain occasions.

Respondent 30 says she disagrees with it because make up can only beautify what on the outside is.

4. What do you think of men who prefer women more with heavy rather than light make up? (SH)

Respondent 1 says she does not really like men who likes women with thick make up. He just sees the outer. What will happen if one day he sees woman without make up? She thinks he will get shocked. He loves the make up not the woman. If she were a boy, she would choose a girl with proper make up not too thick and not too light. Light make up is okay as long as the girl is basically beautiful.

Respondent 2 says he likes to see his girl like a doll so she disagrees because women is human not a doll.

Respondent 3 says she disagrees with it because men like women just the way they are.

Respondent 4 says that men do not like women who put on too much make up because it feels like they are wearing a mask.

Respondent 5 says perhaps they are influenced by ads and she thinks it is not good for the women themselves.

Respondent 6 says she thinks men prefer women without any cosmetics at all.

Respondent 7 says men who prefer women with heavy make up means they are stupid. They prefer clownc to real natural women.

Respondent 8 says the men are foolish because make up is not everything.

Respondent 9 says men prefer women with light make up. Just the way they are.

Respondent 10 says men actually prefer women with light make up except when they want to go to the party. It depends on what activities are done by the women.

Respondent 11 says she does not like that kind of men because heavy make up is like a mask and it is unnatural. Meanwhile light make up seems natural.

Respondent 12 says it means those men only look women from the outside.

Respondent 13 says she thinks men prefer natural women.

Respondent 14 says those men do not have any brain because they only look from the outer appearance of those women who put on heavy make up.

Respondent 15 says they must change the way they think about a woman's natural beauty.

Respondent 16 says they try to lie with themselves because if a woman puts on too much make up, it means she covers her real face.

Respondent 17 says those men should have looked at women's real beauty rather than artificial beauty.

Respondent 18 says men usually do not like women with heavy make up.

Respondent 19 says she thinks men prefer women with light make up.

Respondent 20 says men do not think like that. They prefer women with light make up.

Respondent 21 says men prefer women with light make up because they look more attractive.

Respondent 22 says she thinks men prefer women with light make up.

Respondent 23 she thinks the idea is wrong because men prefer women with light make up.

Respondent 24 she thinks men prefer women with light make up since they look more natural.

Respondent 25 says she thinks men prefer women with light make up.

Respondent 26 says men usually do not like women with heavy make up.

Respondent 27 says those men may look at women's real beauty rather than artificial beauty.

Respondent 28 says those men do not appreciate the natural beauty of women.

Respondent 29 says they must change the way they think about a woman's natural beauty.

Respondent 30 says men who prefer women with heavy make up means they are stupid.

5. What do you think of cosmetics as a form of popular culture? (SH)

Respondent 1 says cosmetic has been a culture for a woman. She knew make up from her grandma, mom, and maybe she will put make up on her daughter too. It is popular because almost all women use it.

Respondent 2 says she disagrees with this idea because cosmetics are fake. They can cover somebody's flaw.

Respondent 3 says she disagrees with it because everyone is beautiful in their own way so make up is not a form of popular culture. It is only the supporting factor in our appearance.

Respondent 4 says she disagrees with it because women can be beautiful without the help of make up with their inner beauty.

Respondent 5 says she disagrees with it because cosmetics become popular from the ads makers and they push the audiences to buy their products.

Respondent 6 says she objects this idea because natural beauty is a good example of a pop culture.

Respondent 7 says she does not agree with this idea because she thinks natural beauty is a pop culture.

Respondent 8 says she agrees with this idea.

Respondent 9 says she agrees with it because cosmetics had begun a long time ago so it became a pop culture.

Respondent 10 says in her opinion cosmetics are not a pop culture.

Respondent 11 says she does not agree because make up is not everlasting but natural beauty is.

Respondent 12 says the most important thing to enhance beauty is starting from themselves not from cosmetics.

Respondent 13 says she does not like this idea because natural beauty is more popular than cosmetics.

Respondent 14 says she does not like this opinion, as she prefers natural beauty as a pop culture.

Respondent 15 says cosmetics are not something essential for women but inner beauty is.

Respondent 16 says she disagrees with it because to be beautiful we do not need too much make up.

Respondent 17 says cosmetics are not a pop culture but natural beauty is.

Respondent 18 says she does not like cosmetics so she objects this opinion.

Respondent 19 says she does not think so.

Respondent 20 says natural beauty is the correct pop culture for women not cosmetics.

Respondent 21 says she would prefer natural beauty as pop culture.

Respondent 22 says she thinks natural beauty is supposed to be a pop culture.

Respondent 23 says she objects this idea because women with natural beauty can be a good pop culture.

Respondent 24 says she disagrees because cosmetics are not the only way to define beauty.

Respondent 25 says she does not like this idea because natural beauty is more popular than cosmetics.

Respondent 26 says she does not like using cosmetics so she objects this opinion.

Respondent 27 says the most important thing to enhance beauty is starting from themselves not from cosmetics.

Respondent 28 says she does not like this idea because natural beauty is more popular than cosmetics.

Respondent 29 says she disagrees with it because women can be beautiful without make up with their inner beauty.

Respondent 30 says cosmetics are not a pop culture but natural beauty is.

6. Why do you think some women prefer natural based cosmetics to chemical based cosmetics? (SH/RE/TR)

Respondent 1 says they prefer natural based cosmetics because they want the safety of natural based cosmetics.

Respondent 2 says because women with natural make up look more beautiful than using chemical.

Respondent 3 says because natural cosmetics are safer than chemical cosmetics but when it comes to the result, chemical based cosmetics are faster to take an effect than natural cosmetics.

Respondent 4 says because natural cosmetics are safe.

Respondent 5 says because basically, they want to take care of themselves. Too much using chemical cosmetic will put them in danger according to the health side.

Respondent 6 says because natural cosmetics are safer.

Respondent 7 says because chemical cosmetics are uncomfortable. It feels like we are wearing a mask which is heavy.

Respondent 8 says because natural cosmetics are safer for daily activities use.

Respondent 9 says because using natural cosmetics for daily use is safer.

Respondent 10 says because they are safe for our skin.

Respondent 11 says because they are aware about their skin health than just care about the artificial beauty without thinking about the bad effect of using chemical cosmetics.

Respondent 12 says because natural cosmetics are safe.

Respondent 13 says because natural cosmetics are not dangerous for our skin.

Respondent 14 says because not all women are stupid. They know that make up can not make up beautiful completely.

Respondent 15 says because natural cosmetics have fewer side effects.

Respondent 16 says because natural cosmetics are safer than chemical cosmetics.

Respondent 17 says because natural based cosmetics are cheap and healthy.

Respondent 18 says because natural cosmetics are more natural than chemical cosmetics. Chemical cosmetics are dangerous and not healthy for our skin.

Respondent 19 says because natural cosmetics are safe for our skin.

Respondent 20 says because natural cosmetics are safer than chemical cosmetics.

Respondent 21 says because natural cosmetics are safer and they use natural ingredients.

Respondent 22 says because natural cosmetics are safer.

Respondent 23 says because natural cosmetics are safe and they can make our skin glows.

Respondent 24 says because natural cosmetics use natural ingredients so they are safe for our skin.

Respondent 25 says because natural cosmetics are safer than chemical cosmetics.

Respondent 26 says because natural based cosmetics are cheap, good, and healthy.

Respondent 27 says because natural cosmetics use natural ingredients so they are safer.

Respondent 28 says because natural cosmetics are not dangerous for our skin.

Respondent 29 says because natural based cosmetics do not damage our skin.

Respondent 30 says natural cosmetics are safer.

7. What do you think about natural based cosmetics in comparison to chemical based cosmetics? (SA)

Respondent 1 says natural cosmetic is safe although the result will take times. Chemical cosmetics depend on what the substances are put inside of them. Some are safe and some are not. It also depends on the person wearing it. If she has allergic or too sensitive to a kind of substance, it will be dangerous. But she thinks chemical cosmetics give faster result.

Respondent 2 says natural make up is better than chemical

Respondent 3 says natural cosmetics are made from natural composition so they are safer for our skin.

Respondent 4 says because natural cosmetics are pure because they use natural ingredients so they are better than chemical cosmetics.

Respondent 5 says natural based cosmetics are healthier than chemical based cosmetics.

Respondent 6 says she agrees with it because natural cosmetics are safer for women and chemical cosmetics are more dangerous.

Respondent 7 says natural cosmetic is better and does not have many side effects.

Respondent 8 says chemical cosmetics are dangerous for our body.

Respondent 9 says chemical cosmetics are dangerous for our body.

Respondent 10 says natural cosmetics are better because they do not contain chemical ingredients

Respondent 11 says natural cosmetics will protect our skin's health meanwhile chemical cosmetics will damage our skin.

Respondent 12 says natural cosmetics are safer than chemical cosmetics and they have less risk.

Respondent 13 says natural cosmetics are good for women.

Respondent 14 says natural based cosmetics are safer to use.

Respondent 15 says natural cosmetics are safer.

Respondent 16 says natural cosmetics are safer for our skin health. So we need to consider about it because health is more important than beauty.

Respondent 17 says natural cosmetics are cheap and harmless.

Respondent 18 says natural cosmetics are better than chemical cosmetics.

Respondent 19 says natural cosmetics are safer than chemical cosmetics.

Respondent 20 says natural cosmetics are more attractive than chemical cosmetics.

Respondent 21 says natural cosmetics are safer than chemical cosmetics.

Respondent 22 says natural cosmetics are safe.

Respondent 23 says natural cosmetics are safer than chemical cosmetics.

Respondent 24 says natural cosmetics are safer than chemical cosmetics.

Respondent 25 says natural cosmetics are better than chemical cosmetics.

Respondent 26 says natural cosmetics are safer for our skin.

Respondent 27 says natural based cosmetics are healthier than chemical based cosmetics.

Respondent 28 says natural based cosmetics are better than chemical based cosmetics since they use natural ingredients.

Respondent 29 says natural based cosmetics are safer than chemical based cosmetics.

Respondent 30 says natural based cosmetics have fewer side effects than chemical based cosmetics.

8. How do you feel with your own natural beauty? (SA)

Respondent 1 says she is beautiful in the way she is. Many friends say that she is beautiful even without any make up. But when she goes out and meets people, she thinks she has to wear make up. She is not comfortable without make up. People will see you from the appearance.

Respondent 2 says she is pretty enough.

Respondent 3 says she feels comfortable with her own natural beauty and it means she can show herself just the way she is.

Respondent 4 says she feels satisfied with herself.

Respondent 5 says she is proud of being who she is.

Respondent 6 says she is grateful.

Respondent 7 says she feels enough. She is satisfied with herself. She can be herself every day. She has a sweet smile with dimples.

Respondent 8 says she is happy and satisfied with her own natural beauty.

Respondent 9 says she is proud of being who she is.

Respondent 10 says she is satisfied with herself.

Respondent 11 says she feels confident about her natural beauty because if she thinks she is beautiful, she will be beautiful and otherwise.

Respondent 12 says she feels confident even if she does not put on any make up.

Respondent 13 says she thinks she is beautiful enough.

Respondent 14 says she is pretty enough.

Respondent 15 says she feels okay.

Respondent 16 says she feels proud with her own natural beauty because everything that God has given her is the best for her, no need to change but take care of it.

Respondent 17 says she is pretty enough and it is like a gift from God.

Respondent 18 says she is satisfied with her own natural beauty.

Respondent 19 says she is pretty enough because she has a good attitude, she is friendly, and she has got a lot of achievements.

Respondent 20 says she is proud of her own natural beauty. It is as a result of her rarely using chemical cosmetics.

Respondent 21 says she feels comfortable with her own natural beauty. even though she is not beautiful but she has her own beauty that other women do not have.

Respondent 22 says she likes her real beauty without any make up on.

Respondent 23 says she is satisfied with her own beauty.

Respondent 24 says she feels glad about her own beauty.

Respondent 25 says she feels good about it.

Respondent 26 says she enjoys being herself.

Respondent 27 says she does not want to change anything about it since she is thankful of what she has got.

Respondent 28 says she is glad with her natural look.

Respondent 29 says she feels enough. No need to alter it.

Respondent 30 says she enjoys what God has given her.

9. What do you think of women who feel more comfortable with their natural beauty than the use of make-up? (SA/CO)

Respondent 1 says it is no problem. That is their right to choose the best from themselves.

Respondent 2 says some women like looking natural better than they should put too much make up on their face.

Respondent 3 says she agrees with it because it means, they like just the way they are.

Respondent 4 says she thinks that those women have a perfect thought.

Respondent 5 says because basically, they want to take care of themselves. Too much using chemical cosmetic will put them in danger according to the health side.

Respondent 6 says it is okay since it is a positive thing to do.

Respondent 7 says they are smart and grateful.

Respondent 8 says they feel confident with their own beauty.

Respondent 9 says they feel comfortable with their natural beauty.

Respondent 10 says they feel confident with their own beauty.

Respondent 11 says she agrees with that because natural beauty is more important than make up.

Respondent 12 says it is a good choice.

Respondent 13 says it is good because they feel confident.

Respondent 14 says she gives her two thumbs up for those women.

Respondent 15 says it is fine.

Respondent 16 says she agrees with it because natural beauty has more power than make up.

Respondent 17 says she agrees because it means those women enjoy themselves for the way she is.

Respondent 18 says she agrees because those women feel more comfortable with their natural beauty.

Respondent 19 says she agrees because it is a good thing to do.

Respondent 20 says she agrees with those women that feel comfortable with her natural beauty because women with natural beauty look more beautiful than artificial beauty.

Respondent 21 says it is a good thing for women should do.

Respondent 22 says it is okay since we have to accept just the way we are.

Respondent 23 says it is a good thing because they accept their own natural beauty.

Respondent 24 says it is good because it means she respects herself.

Respondent 25 says they feel confident with their own beauty.

Respondent 26 says she agrees because it is a good thing to do.

Respondent 27 says they feel comfortable with their natural beauty.

Respondent 28 says they are comfortable with their natural beauty.

Respondent 29 says it is good because they feel grateful with their natural beauty.

Respondent 30 says they feel confident with their natural beauty.

10. What do you think about women who always put on heavy make-up when they go out? (CO)

Respondent 1 says she does not like the idea actually. It looks too much. Fair or appropriate make up is better. They are going out not for a fashion show except if the women work for cosmetic company and they are asked to use thick make up. If she goes out for daily activities, the respondent thinks it is too much.

Respondent 2 says she thinks it is okay to be yourself and it can make you look beautiful.

Respondent 3 says those women feel more comfortable than if they do not use make up.

Respondent 4 says she thinks that women who put on too much make up should have a profession as actresses because they are required to use too much make up for their roles in movies.

Respondent 5 says perhaps they do not have enough self confidence and want to be like the image on ads.

Respondent 6 says they do not feel confident and grateful with their own natural beauty.

Respondent 7 says they are stupid and not grateful. They cannot be themselves because they are afraid of looking ugly without make up.

Respondent 8 says they look sassy and stupid because they do not put themselves in the right occasion.

Respondent 9 says they look like clowns to show off their face.

Respondent 10 says they look exaggerated.

Respondent 11 says she thinks they are poor because they do not appreciate their own natural beauty and do not have self confidence to face the society with their own natural look.

Respondent 12 says that maybe they do not feel perfect without make up. It means they are lacking of self confidence.

Respondent 13 says they will look strange because putting on so much make up while doing daily activities can be a weird thing to do.

Respondent 14 says they do not feel confident with themselves.

Respondent 15 says they are not confident with their face.

Respondent 16 says it can endanger their face in a long period. It will change their true beauty.

Respondent 17 says she thinks those women will look less attractive.

Respondent 18 says she thinks they do not feel confident about themselves.

Respondent 19 says they look sassy because they cannot put themselves in the right situation.

Respondent 20 says they do not confident with their natural beauty so they tend to use make up.

Respondent 21 says they are not comfortable with their body and they also do not have self confidence with their own appearance.

Respondent 22 says it means they do not respect their own beauty.

Respondent 23 says they should have been prouder with their own beauty.

Respondent 24 says they do not feel confident about their own beauty.

Respondent 25 says they will look strange because putting on so much make up while doing daily activities.

Respondent 26 says they look exaggerated.

Respondent 27 says they look sassy and stupid because they do not put themselves in the right occasion.

Respondent 28 says those women are poor because they feel more comfortable to use make up and she thinks it is not good.

Respondent 29 says they do not feel confident with themselves.

Respondent 30 says they do not feel confident and satisfied with their own natural beauty.
