# CHRISTIAN BAUTISTA'S SONG LYRICS

## Please be Careful with My Heart

If you love me like you tell me  
Please be careful with my heart  
You can take it just don't break it  
Or my world will fall apart

You are my first romance  
And I'm willing to take a chance  
That till life is through  
I'll still be loving you  
I will be true to you  
Just a promise from you will do  
From the very start  
Please be careful with my heart

I love you and you know I do  
There'll be no one else for me  
Promise I'll be always true  
For the world and all to see

Love has heard some lies softly spoken  
And I have had my heart badly broken  
I've been burned and I've been hurt before

So I know just how you feel  
(how I feel)  
I trust my love is real for you (I hope that your love is real)  
I'll be gentle with your heart  
I'll caress it like the morning dew

I'll be right beside you forever  
I won't let our world fall apart  
From the very start I'll be careful with your heart

You are my first romance  
And I'm willing to take a chance  
That till life is through  
I'll still be loving you

I will be true to you (I will be true)  
Just a promise from you will do (only to you)  
From the very start, From the very start  
From the very start, from the very start  
Please be careful with... my heart  
(I'll be careful with your heart)

## Tetaplah Dihatiku

Kekasihku sayangku  
ku ingin kau tahu  
hati ini kan slalu  
menantikan cintamu

Kaulah yang pertama  
yang memberi arti cinta  
tuk selamanya tetap dihatiku  
ingin memelukmu  
mendekap hangat cintamu  
tuk selamanya tetaplah dihatiku

Kuberi semua untukmu  
dengan kesungguhanku  
tak akan kuberbagi meskipun engkau jauh

kukan selalu merindukanmu  
kukan tetap selalu menjagamu  
jangan ada kata berpisah

Pegang erat janjiku, yakinkan dihatimu  
(janjimu, selalu untukku)  
takkan ku berpaling  
hanya kau satu dihatiku

ku akan selalu disampingmu  
tak ku biarkan kau jauh  
tuk selamanya, ku tetap dihatimu

Kaulah yang pertama (dan selamanya)  
yang memberi arti cinta (untuk dirimu)  
tuk selamanya tetap dihatiku

ingin memelukmu  
mendekap hangat cintamu  
tuk selamanya  
tuk selamanya  
tuk selamanya tetaplah dihatiku  
ku tetap di hatimu  
tuk selamanya ... ... di hatimu  
(ku tetap di hatimu)

## Till the End of Time

I try to resist what my heart feels  
But I'm falling into pieces  
Drifting further away from you  
Everything won't seem right  
If you were here with me  
You'd brush away this loneliness from me

(1) There will never be another by my side  
Because all I am is just for you  
And there can never be another by my side  
I need you here with me  
And brush away this loneliness from me

Everything was seem so right  
If you were here with me  
Everything was seem right... once again  
I need you here with me

Go to: (1)  
You'd brush away this loneliness from me

Till the end of time... {x2}

Go to: (1)  
You brush away this loneliness from me

Till the end of time... {x2}

## Hingga Akhir Waktu

Ku coba untuk melawan hati  
Tapi hampa terasa  
disini tanpamu  
Bagiku semua sangat berarti lagi  
Ku ingin kau di sini  
tepiskan sepiku bersamamu

reff: Takkan ada yang lain di sisi  
Segenap jiwa hanya untukmu  
Dan takkan mungkin ada yang lain di sisi  
ku ingin kau di sini  
tepiskan sepiku bersamamu

Bagiku semua sangat berarti  
ku ingin kau di sini  
Bagiku semua sangat berarti lagi  
ku ingin kau di sini

(Kembali ke reff)  
tepiskan sepiku bersamamu

Hingga akhir waktu. . . (2x)

(Kembali ke reff)  
tepiskan sepiku bersamamu

Hingga akhir waktu. . . (2x)

## Falling In Love ( English Version ) by J Rocks

I think I'm in love for the first time  
And it's making my heart confused  
Tell me what exactly happened  
How I wonder it will be

\* You're touching my heart and my soul  
While your hands in my hands indeed  
Tell me what exactly happened  
makes me feel I'm drowning too deep  
Seems weird for me  
I will never let this feeling cold

\*\* If You were mine  
Sharing all our ups and downs  
I'm gonna be around  
And forever it would be

ref:  
Cause I'm falling in love  
I'm falling in love  
Yes, I'm falling in love  
I'm falling in love  
Yes, I'm falling in love  
I'm falling in love with You

repeat \*--\*\*

repeat reff [2x]

### Lirik Lagu Anggun Only Love Lyrics

everyone playing roles each day and night  
searching for a missing piece  
time can always tell the truth  
and mask the face of a lonely heart

thinking eyes wonder what they really see  
dreams of gold or glory?  
something out there to believe  
to tell the tale through the night

reff:  
all i'm looking for is only love  
there is only love that i need  
what i'm looking for is only love  
there is only love that i seek

nothing is worth fighting only love  
there is only love that makes me bleed  
nothing is worth living only love  
there is only love that makes me breath

wondering and like everybody else  
visualizing a sign  
trials and errors still abide  
just hope that it won't hurt too bad

wait and see feed this patience on my mind  
leave it there until he comes  
cause someone's out there i believe  
has a missing piece of my heart

repeat reff

makes me breath [2x]  
it's only love  
there's only love [2x]

repeat reff

### Anggun - Hanyalah Cinta Lyrics

semua yang telah aku dapat indah dan gemerlap  
satu hari kan pudar  
dan sinarnya akan hilang

sesuatu yang telah aku raih  
di dalam hidup ini  
tak untuk selamanya  
ini semua sementara

refff:  
yang aku cari hanyalah cinta  
hanya cinta yang tak tergantikan  
yang aku mau hanyalah cinta  
hanyalah cinta yang ku beri

yang selalu ku tunggu hanyalah cinta  
hanya cinta yang tak tergantikan  
yang aku nanti hanyalah cinta  
hanyalah cinta yang abadi

mencari artinya hidup ini  
detak waktu masih ada  
ada yang paling berwama  
apa yang kan sia-sia

repeat reff

abadi, abadi,  
hanyalah cinta  
hanya cinta ooh

repeat reff
