Cecilia,

The paper proposal I submitted was accepted. And I am listing you as second author because of your work on this research project with me. Obviously, I don't expect you to come back to Minnesota for this. J

Sam Van Horne

Subject: Submission for the National Forum on Active Learning Classrooms

Congratulations! Your paper has been accepted for presentation at the *National Forum on Active Learning Classrooms*. Three members of the steering committee reviewed the paper and unanimously agreed that the content and focus is appropriate to this year's Forum.

A revised schedule for presenting your paper should be posted on the NFALC website by June 1. See <http://www.cce.umn.edu/National-Forum-on-Active-Learning-Classrooms/Program-Schedule/index.html>

Please see the attachment for additional information about paper presentations. Although we cannot accurately determine the number of participants at your presentation, we will provide updates about the total number attending the Forum by early August.

As noted on the website Submission Guidelines, acceptance of your presentation still requires you to register for the conference. All presenters who will be at the session should expect to pay full conference fees.

We look forward to seeing you in August in Minneapolis, Minnesota. Please do not hesitate to contact me if you have any additional questions or issues about the conference or your presentation.

Congrats Sam. Thanks for mentioning my name even though I didn't do anything for the submission. No I have no plans to go to Minnesota :).
