

The character of each song is different, for example in winter, in every verse it feels like in the cold air of winter and snowflakes are down.

For instance, the meaning of each song is representing four seasons in Japan. Not only is the emotions of each season clearly shown, but also an unspoken message too.

5.2. Suggestion

The data and information of the AKB48 song's lyrics are represented by four seasons in Japan. Imaginary of the seasons in Japan is an interesting topic, as a subjective point AKB48 is a good example of object research. The researcher offers to explain in this thesis. The main difficulties to interpret every single each song. Some songs have the same lyrics on every different song. In one song, the researcher only finds a maximum of two stanzas which is representing each season in Japan.

Here are some suggestions for further research. There are many songs of AKB48 that can easily be interpreting. All the AKB48 songs have many reasons to explain and interpreting about youth and fresh full
