SAKURA NO HANABIRATACHI

教室の窓辺には
うらかな陽だまり
あと僅かの春のカレンダー

授業中 見渡せば
同じ制服着た

仲間たちが
大人に見える

それぞれの未来へと
旅立って行くんだね
その背中に
夢の翼(はね)が
生えてる

桜の花びらたちが咲く頃
どこかで 希望の鐘が鳴り響く
私たちに明日(あす)の自由と
勇気をくれるわ
桜の花びらたちが咲く頃
どこかで 誰かがきつと祈ってる
新しい世界のドアを
自分のその手で開くこと

喧嘩して 電話して
泣いたこと あったね
悩んだ日が
なぜか 懐かしい

喜びも悲しみも
振り向けば 道のり
どんな時も
一人じゃなかった

卒業写真の中
私は微笑んで
過ぎる季節
見送りたい
サヨナラ

涙の花びらたちがはらはら
この頬(ほほ)を流れ落ちて歩き出す
青い空を見上げ 大きく
深呼吸しながら
涙の花びらたちがはらはら
思い出のその分だけ 美しく
目の前の大人の階段
一緒に登って手を振ろう

Near the classroom window
Is a carefree, sunny spot
Very little time is left on the spring
calendar

During class, if I look around
Though wearing the same school
uniform,
All of my classmates
Look like adults

With each person's own future
We start our trip
On each of our backs
Sprout wings
Of our dreams

Each time the cherry blossom petals
bloom,

Somewhere hope's bell resounds
With the freedom of tomorrow,
We're given courage
Each time the cherry blossom petals
bloom,

Somewhere someone is praying
The door to a new world
We open with our own hands

There were times when we fought,
Called each other, and cried
Why do those troubled days
Feel so nostalgic?

During the happy or sad times
If we turned back in the distance,
No matter when
We were never alone

In the middle of our graduation
picture,
I smile
The passing season wants to send us
off
Good-bye

The petals of these tears go pitter-
patter
On these cheeks they come out,
flow, and fall

As we look up to the blue sky
And breathe in deeply
The petals of these tears go pitter-
patter
Memories of that part make me

happy
The stairs to adulthood before our
eyes
Together we climb and wave our
hands

Each time the cherry blossom petals
bloom,
Somewhere hope's bell resounds
With the freedom of tomorrow,
We are given courage
Each time the cherry blossom petals
bloom,
Somewhere someone is praying
The door to a new world
We open with our own hands

The petals of our tears go pitter-
patter
Onto these cheeks they come out,
flow, and fall
As we look up to the blue sky
And breathe in deeply
The petals of our tears go pitter-
patter
The memory of that part makes me
happy
The stairs to adulthood before our
eyes
Together we climb and wave our
hands

In the classroom next to the window
the sun shines
like a calendar with only a little of
spring left

In class, if I look,
my friends who
wore the same uniform
look like adults

We're all going
towards our own futures
On our backs
the wings of our dreams
are growing

When the sakura petals bloom
You can hear the bells of wishes
everywhere
They give us freedom
and courage for tomorrow
When the sakura petals bloom
All over the world, everyone prays
to be able to open the door
to a new world

There were times when we fought,
talked on the phone
and cried
Somehow I miss
those troubled days

Through happiness and sadness
If I look back on that road
I wasn't alone
at any time

In our graduation photo
I'm smiling
I want to see off
the seasons past
Goodbye

The petals of my tears are floating
down
I walk with them running down my
face
I take a deep breath
and look up at the blue sky
The petals of my tears are floating
down

My memories are beautiful
The stairs to adulthood before my
eyes
let's wave and take them together

When the sakura petals bloom
You can hear the bells of wishes
everywhere
They give us freedom
and courage for tomorrow
When the sakura petals bloom
All over the world, everyone prays
to be able to open the door
to a new world

The petals of my tears are floating

I walk with them running down my

I take a deep breath
and look up at the blue sky
The petals of my tears are floating

My memories are beautiful
The stairs to adulthood before my

MANATSU NO SOUNDS GOOD

「サンオイル 背中に塗って!」と
水着の上 外しながら寝そべった
大胆な君の一言は
甘ったるい
匂いがした

どこまでも青い海と空
僕たちの関係に似てる
水平線は交わってるのに
そう 今はまだ わがままな妹のようさ

真夏の Sounds good!

波音 Sounds good!
心が騒ぐよ
去年よりも
僕は本気になる

砂浜で肌を灼いている
君を置いて 僕は一人泳いだよ
その後のいきなりのキスは
塩辛い味がした

さっきまでのあの風景とは
空気まで変わった気がする
海と空がちゃんと向き合っ
そう お互いのその青さ 映し合っている

渚の Good job!
愛しい人よ
ずっと切なくて言えなかった

"Put sun oil on my back!"
Removing swimsuits top, you lied down
That single bold sentence
gave off
mushy sweet scent

Blue sea and sky spread faraway
just like our relationship
Joined by the horizon, but
yes, now is still like an egoist little
sister

Midsummer sounds good!
wanna advance to the next step
of love curriculum
The wave sounds good!
My heart rustles
More than last year,
I'm going to be serious

Your skin is burning on sandy beach
Leaving you, I swam alone
A sudden kiss after that
Gave off salty taste

Feels like the scenery until just now
even the air, has changed
The sea and sky perfectly face one
another
yes, reflecting each other's blue

Beach does good job!
My lovely darling
It's always been painful, I can't say it
You are too close
Chance does good job!
I'll be honest
Let's reach those hands
Isn't this the season of love!

Midsummer sounds good!
while murmuring,
wanna advance to the next step
of love curriculum
The wave sounds good!
My heart rustles
More than last year,
I'm going to be serious

Midsummer sounds good!
I love you
The wave sounds good!
Finally I said it
Beach does good job!
I love you
Chance does good job!
Nice timing, isn't it

Midsummer sounds good!

旅立つんだ

あといつの夢を見ようか?
次の時代 担う者たち

熱い想い この胸に秘め
輝く季節を みんなで
駆け抜けよう

長かった冬が終わったら
陽がやさしくなるよ
みんなで見ている夢だって
芽が出始めるだろう

English Translation

The autumn wind blows
And the branches sway
A single leaf falls
I gently said farewell
To its back as it fluttered and danced
We who were left here
Even us,
One day
We will take a journey
Into the future
How many more dreams will we dream?
We who carry the next generation on our
shoulders
Let's exert ourselves so much that
We have no regrets left
How many more dreams will we dream?
Hiding away passionate feelings in this
heart
Together, let's overtake
The shining season
When the long winter has ended
The sunlight will become gentle
Even the sprouts of the dreams we all
cultivated
May start to come up

Like a flower
That my seniors
Splendidly caused to bloom that day
This time
It's my turn

Not hesitating to set out on a journey
The blossoms on the next branches are
waiting
Seasons and chances
That's right, they both come around
Not hesitating to set out on a journey
While taking pride in being alive
The generational baton will gradually
Be passed down

How many more dreams will we dream?
We who carry the next generation on our
shoulders
Let's exert ourselves so much that
We have no regrets left
How many more dreams will we dream?
Hiding away passionate feelings in this
heart
Together, let's overtake
The shining season
After we've done our best
There will spread a vast
Blue sky

紺のコートの胸に
おでこつけたまま ずっと

粉雪が二人を包んで
街の灯(ひ) 点り始めても
離れたくないよ
この場所から
永遠より 一秒長く

世界で 一番素敵な
クリスマスイブをありがとう
いつか 今日を思い出すわ
Merry X'mas and I love you.

何も話さなくても
流れる時間が愛を伝える
こんな意味ある夜に
一緒にいられるだけで

粉雪は まだまだ止(や)まずに
二人に降り積もるけど
このままでいいよ
どんなものより
あなたは暖かい毛布

世界のどこかで囁(ささやく)
恋人たちの約束は
きっと 今日から始まるのね
Merry X'mas and I love you.

English Translation

More than any present,
I want to be held in your arms
Into the breast of the navy blue coat
I always rested my forehead

Even though powder snow wraps around us,
And the street lights turn on,
I don't want to separate
From this place onward,
A second feels longer than eternity

Thank you for the best
Christmas Eve in the world

One day, I'll look back on today
Merry Christmas, and I love you

Even if nothing is said,
Love is conveyed with this passing time
On this night with that meaning
We're able to just be together

The powder snow still does not stop
As it falls on the two of us
In this way, it's okay
More than anything else,
Your blanket is so warm

Somewhere in the world, you whisper
A lovers' promise
Surely, starting from today, right?
Merry Christmas, and I love you

Thank you for the best
Christmas Eve in the world
One day, I'll look back on today
Merry Christmas, and I love you

Somewhere in the world, you whisper
A lovers' promise
Surely, starting from today, right?
Merry Christmas, and I love you

More than any present
I wanted to be held by you
and press my forehead against
the chest of your navy blue jacket

Even if the powdery snow envelops us
and the streetlights come on
I don't want to part with you
or leave here
A second seems longer than an eternity

Thank you for
the most beautiful Christmas Eve in the
world
I'll always remember today
Merry X'mas and I love you.

Even if we don't talk about anything
the time passing tells of our love
On this meaningful night
we can just be together

The snow still doesn't stop
and lies thick around us
I like it like this
more than anything
You make a warm blanket

Lovers' promises
whispered all around the world
definitely start from today
Merry X'mas and I love you.

Thank you for
the most beautiful Christmas Eve in the
world
I'll always remember it
Merry X'mas and I love you.

Lover's promises
