ACKNOWLEDGEMENT

“When you pass through the waters, I will be with you.” – Isaiah 43:2

Within God, the things that the writer's pass feels great in a great time. The writer believes that He gives the right way in good time to be done in this study. Every obstacle can be done well by the writer.

The second gratitude is addressed to all of the writer's family members either support or annoy the writer at the same time, Mr. Antonius Suhartana, the writer's father along the writer's mother, Mrs. Agustina Titin Purwanti with their big heart and prayers to support until now. The writer's little brother always pushes to finish the thesis as fast as the writer can, Dominico Savio Aditya Dian Nugraha. The writer's grandmother always gives prayers and support by giving a joyous treat when the writer does not feel well to continue.

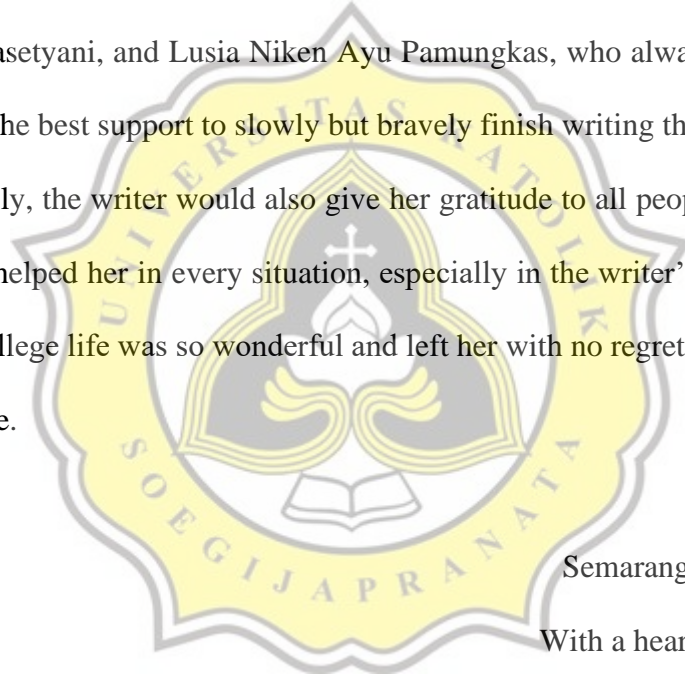

The writer also would like to express her deepest gratitude for the lecturers who act as her major sponsor and co-sponsor in this thesis – Mrs. Angelika Riyandari S.S., M.A., Ph.D., and Mr. G. M. Adhyanggono S.S., M.A., Ph.D. The writer does thank for giving the writer their trust and willingness to read and give the best advice and feedback on the writer's thesis and have free time to discuss and help the writer make this thesis better.

The next gratitude goes to the writer's best support system, Christianto Kurniawan Priyono, who always pushes the writer not to give up and cheers up in a way that no one can do with the best version of him. Thank you for being a great listener and giving positive advices when discussing some things in this thesis.

For the best fellows along the writer's journey who always stay by the writer's side: Yosefin Desy Kurniasari, who stay since the freshman year and give positive words; Nuraini Rizki Dwitasari, who supports by calming when the writer gets panic; Keiko Rahardjo, who supports nicely in a way to cheer the writer up; and Iwan Hadinata, who always help the writer in every single time. The writer feels thankful for having them.

The last gratitude would be expressed to Klara Paskarena Dahliani, Margareta Adinda Prasetyani, and Lusiana Niken Ayu Pamungkas, who always listen and give the writer the best support to slowly but bravely finish writing the thesis.

Finally, the writer would also give her gratitude to all people who have ever come and helped her in every situation, especially in the writer's college life. The writer's college life was so wonderful and left her with no regret. May peace come to everyone.

ABSTRACT

Charactonym is a naming technique that requires special attention in translating and interpreting the name or characteristics of a character. This undergraduate thesis discusses the charactonym employed in beast characters in *Fantastic Beasts and Where to Find Them: Original Screenplay*, which begins with finding the traits and abilities of each beast. There are two main problem formulations: (1) the distinctive traits found in J. K. Rowling's *Fantastic Beasts and Where to Find Them: Original Screenplay* represented by the names of beasts, and (2) the use of charactonyms based on the beasts' traits. The methods used are; classify magical animals based on the beasts' ability class in the *Fantastic Beasts and Where to Find Them* book, suggest their special characteristics, and then look for the charactonym for each character based on the theory put forward by Kalashnikov. The study found four out of eight charactonym based on the beasts' trait and ability: expressive-and-characteristic names, e.g. Demiguise, Murtlap, Swooping Evil, Thunderbird, and Erumpent; expressive names, e.g. Occamy, Niffler, Mooncalf and Billywig; anthroponyms with common stem, e.g. Bowtruckle; and intersemantizing names, e.g. Graphorn.

Keyword: charactonym; beast; traits; and ability.

ABSTRAK

Charactonym adalah sebuah teknik penamaan yang membutuhkan perhatian khusus dalam menerjemahkan dan memaknai sebuah nama atau karakteristik sebuah tokoh. Skripsi ini membahas tentang pembuktian *charactonym* yang terdapat di karakter hewan-hewan fantastis di *Fantastic and Where to Find Them: Original Screenplay* yang diawali dengan menemukan karakteristik dan keunikan yang dimiliki setiap karakter tersebut. Di dalam skripsi ini terdapat 2 pokok permasalahan yaitu: (1) Ciri khusus yang dapat ditemukan dalam karya J. K. Rowling yaitu *Fantastic Beasts and Where to Find Them: Original Screenplay* yang diwakili dengan nama hewan-hewan fantastis, dan (2) Penggunaan *charactonym* berdasarkan ciri khusus yang dimiliki hewan-hewan tersebut. Metode yang digunakan adalah mengklasifikasikan hewan-hewan fantastis berdasarkan kelas kemampuan mereka yang terdapat di buku *Fantastic Beasts and Where to Find Them*, mengemukakan ciri khusus yang mereka miliki, dan kemudian mencari *charactonym* untuk masing-masing karakter berdasarkan teori yang dikemukakan oleh Kalashnikov. Dalam skripsi ini, ditemukan empat dari delapan macam *charactonym* berdasarkan ciri khusus dan kemampuan yang dimiliki hewan-hewan fantastis, yaitu: *expressive-and-characteristic names*, e.g. *Demiguise, Murtlap, Swooping Evil, Thunderbird, and Erumpent*; *expressive names*, e.g. *Occamy, Niffler, Mooncalf and Billywig*; *anthroponyms with common stem*, e.g. *Bowtruckle*; and *intersemantizing names*, e.g. *Graphorn*.

Kata Kunci: *charactonym*; hewan-hewan fantastis; ciri khusus; dan kemampuan.
