BAB 1 PENDAHULUAN Latar Belakang Perkembangan industri kreatif saat ini berkembang sangat pesat. Hal ini dapat dilihat dari subsektor industri kreatif di Indonesia diantaranya dibidang periklanan, arsitektur, kuliner, seni pertunjukan, periklanan, desain produk, fotografi, film animasi & video, desain interior, aplikasi dan pengembang permainan, penertiban, periklanan, seni rupa, musik dan fashion. Melihat perkembangan ekonomi kreatif yang sangat pesat perlu adanya tempat untuk mewadahi kegiatan tersebut. Tempat yang sesuai untuk mewadahi kegiatan ekonomi kreatif adalah pusat industri kreatif merupakan wadah bagi pelaku usaha ekonomi kreatif untuk mengembangkan usahanya dibidang industri kreatif dengan nuansa antar subsektor industri kreatif saling berkolaborasi. Kota Surakarta sendiri memiliki 16 sub sektor industri kreatif seperti yang telah disebutkan diatas. Namun yang menjadi unggulan ada empat subsektor industri kreatif diantaranya fashion, kriya, kuliner, dan batik dll. Badan Ekonomi Kreatif berkomitmen mengembangkan sektor ekonomi kreatif di Kota Surakarta khususnya berbasis kebudayaan. Pada tahun 2018 Badan Ekonomi Kreatif bekerjasama dengan pemerintah Kota Surakarta untuk mengembangkan ekonomi kreatif berbasis kebudayaan. Melihat potensi budaya yang dimiliki Kota Surakarta, pusat industri kreatif yang saya rencanakan merupakan tempat untuk
