

WTO sebagai badan organisasi perdagangan internasional sendiri sering kali tidak menjabarkan hal-hal fundamental ini. Akan menjadi suatu hal yang bijak dan bermanfaat apabila terdapat tulisan-tulisan yang diakui resmi oleh WTO dalam hal pendefinisian beberapa diksi yang mungkin sering menjadi bahan perdebatan para penggiat dan/atau praktisi perdagangan internasional.

Penulis beranggapan, tak ada sengketa yang tidak dapat diselesaikan, tetapi diperlukan kebesaran hati dan komunikasi yang terjalin baik di antara kedua negara ekonomi besar ini. Bagi dua pemimpin negara bersengketa, Presiden Amerika Serikat terpilih baru Joseph Robinette Biden Jr. dan Presiden China ketujuh Xin Jin Ping diharapkan pada masa setelah pandemi COVID-19 yang menekan seluruh negara di dunia ini dapat menjalin hubungan lebih baik lagi agar isu-isu perang dagang ini dapat berangsur-angsur mereda dan kedua negara dapat kembali bekerja sama demi membangun dunia yang lebih baik.
