

CHAPTER V

CONCLUSION

5.1. Conclusion

Based on the analysis, it can be concluded that:

1. John Constantine possessed all of the twelve values based on Farley's theory in the movie. Thus, he is qualified as a hero.
2. The heroic values that John Constantine have are bravery, determination, wisdom, self-sacrifice, hardwork, conscience, courage, responsibility, reliability, steadfastness, dedication, and life-giving.

This research has provided knowledge about heroism values to readers. Readers may use the twelve heroism values to also analyse any other literature works that deal with characters that have heroism qualities.
