ACKNOWLEDGEMENT

This thesis becomes a reality with the encouragement and guidance of many people. I want to extend my sincere thanks to all the individuals who have helped me with this thesis.

Foremost, my sincere gratitude to Angelika Riyandari, Ph. D, as my primary sponsor who guides and encourages me in completing this thesis. Thank you for giving me ideas, revisions, and advice regarding this thesis. I also would like to give my gratitude to Dr. Dra. Ekawati Marhaenny Dukut, M.Hum, as my co-sponsor who helps me revise and give input regarding this thesis. Both of your help and kindness have contributed to finishing my thesis. I also would like to thank all lecturers of the Faculty of Language and Arts, Soegijapranata Catholic University, who taught me countless lessons in academics and lessons in life.

Finally, I would like to acknowledge my most profound gratitude goes to my parents, Agus Suryanto and Agus Andriani S.Pd., for giving me all of the support and keep pushing me to finish my thesis. I want to thank my one and only annoying sister Zabrina Bintang Maharani for always supporting and motivating me.

My most enormous appreciation also goes to my boyfriend, Alfred Jovan Marcelino, to support and comfort me in finishing this thesis. Thank you for all of the free drinks and all of your kindness. You are the sweetest creature alive that I have ever met that makes me always think that I am lucky to have you. May God bless your patient soul.

Then my special thanks also goes to all of my college friends, Kidung, Nora, Mile, and Fei, who always supported and fought with me to finish this thesis. Also, my high school friends, Lesly, Resya, Rida with all of her Evergreen Boarding house family, Dzaki, and Aji, always remind me about my thesis. Thank you very much for pushing me to complete my undergraduate study. May God bless all of our struggles. I am sorry if I ever burden you with my complaints. For my junior high school friends, Leo, Kristian, Cristal, Eleonora with her boyfriend, and Anggiy with her white mobilio, thank you for always being there whenever I need you. Last, All of Stories Coffee and Chill family, Dane, Kak Jajang, Akbar, Thania, Jeje, Nanda, Reihan, Balqist, Sitha, and Jessie, thank you for always taking care of me and being patient with me. May God bless our young, wild, and free soul. I love you guys.

ABSTRACT

Hyde Jekyll Me is a Korean Drama in 2015. This drama series was adapted from the Webtoon *Dr. Jekyll is Mr. Hyde* by Lee Choong-ho's, a romantic and comedy genre. This drama tells the story of Geo Seo Jin, a rich man who has everything in his life, good-looking, wealthy, and intelligent. Geo Seo Jin has two personalities. Geo Seo Jin's personalities are Geo Seo Jin himself and their other personality named Robin. The public knows him as Geo Seo Jin, dull, cold, and selfish. This personality is different from his other personality, "Robin." The public rarely knows this personality. Just people who are close to Geo Seo Jin know that he has this personality. Robin's personality is friendly, caring about his surroundings, and he likes to help. This study aims to analyze the personality of Geo Seo Jin in the drama *Hyde, Jekyll, and Me*. Geo Seo Jin, who has multiple personalities, is analyzed by Freud's theory. According to Freud, the behavior results from conflict and reconciliation of the three personality systems (id, ego, and superego). The id in this drama is shown by Robin's good nature and likes to help others. The ego in this drama is shown by Geo Seo Jin's arrogant, selfish, and cruel nature. Likewise, the superego in this drama is shown by the nature of Geo Seo Jin to maintain his image and position in the Wonderland group. Geo Seo Jin's dual personality is caused by his childhood trauma when he was kidnapped. Moreover, his guilt made him create a new personality, namely Robin as his superego. The second personality, or Robin, appears when one of them is in shock, unconscious, and the turn of time from morning to night.

Keywords: psychoanalysis, dual personality, Korean drama

ABSTRAK

Hyde Jekyll Me adalah Drama Korea tahun 2015 yang dibintangi oleh aktor legendaris Hyun Bin. Serial drama ini diadaptasi dari Webtoon *Dr. Jekyll is Mr. Hyde* karya Lee Choong-ho, bergenre romantis dan komedi. Drama ini menceritakan tentang Geo Seo Jin, seorang pria kaya yang memiliki segalanya dalam hidupnya, tampan, kaya, dan pintar. Geo Seo Jin memiliki dua kepribadian. Kepribadian Geo Seo Jin adalah Geo Seo Jin sendiri dan kepribadian mereka yang lain bernama Robin. Publik mengenalnya sebagai Geo Seo Jin yang membosankan, dingin, dan egois. Kepribadian ini benar-benar berbeda dari kepribadiannya yang lain, "Robin". Orang-orang jarang mengetahui kepribadian ini. Hanya orang-orang yang dekat dengan Geo Seo Jin yang tahu bahwa dia memiliki kepribadian ini. Kepribadian Robin ramah, peduli dengan lingkungannya, dan suka membantu. Tujuan dari penelitian ini adalah untuk menganalisis kepribadian Geo Seo Jin dalam drama *Hyde, Jekyll, and Me*. Geo Seo Jin yang memiliki kepribadian ganda. Dianalisis dengan teori Freud. Menurut Freud, perilaku dihasilkan dari konflik dan rekonsiliasi dari tiga sistem kepribadian (id, ego, dan superego) Id dalam drama ini ditunjukkan oleh sifat Robin yang baik dan suka membantu orang lain. Ego dalam drama ini ditunjukkan oleh sifat Geo Seo Jin yang arogan, egois, dan kejam. Begitu juga superego dalam drama ini ditunjukkan oleh sifat Geo Seo Jin untuk mempertahankan citra dan posisinya di grup Wonderland. Kepribadian ganda Geo Seo Jin disebabkan oleh trauma masa kecilnya saat diculik. Dan rasa bersalahnya membuatnya menciptakan kepribadian baru, yaitu Robin sebagai superegonya. Kepribadian kedua atau Robin muncul ketika salah satu dari mereka shock, tidak sadarkan diri, dan pergantian waktu dari pagi ke malam.

Kata kunci: psikoanalisis, kepribadian ganda, drama korea
