Comment for Authors: Please explain to the Author for revision.

Methodology used for the study is acceptable but E-Learning study is obsolete.

ICSEC 2019 2

Comment for Authors: Please explain to the Author for revision.

- A good analyze of eLearning technology which students use in the university.

ICSEC 2019 3

Comment for Authors: Please explain to the Author for revision.

1. The abstract does not make sense for the reader.
2. Please clarify the problems of e-learning regarding the first reference "There are several problems regarding e-learning use and their effectiveness existing on lecturers, students and academic staff".
3. Check the IEEE's reference format e.g. (Davis, 1989).
4. The proposed model and methodology are not cleared in the article. Could you please explain more about figure 1?
5. The result's evaluation must be written in the methodology section.
6. For "while in the 21-24 age group there were 92 male and 71 female students." but in the table I. there are only 43 female students. Please recheck it.
7. Grammar must be improved.
8. Spelling must be proofed for instance you have to consider using eLearning or e-learning etc.

9. Please follow the IEEE format and check the errors carefully.
