[KnE Social Sciences](#) / 5th International Conference on Education and Social Science Research (ICESRE)

This collection contains selected papers from the **5th International Conference on Education and Social Science Research (ICESRE)** held virtually on the 5th of October 2022, and organised by the Institute of Research and Community Service at the Universitas PGRI Semarang, Indonesia.

The main purpose of this conference was to discuss the latest advances in the various sub-fields of education and social sciences within a globalized world.

This *KnE Social Sciences* collection contains 74 peer-reviewed articles examining different methods of enhancing and facilitating the development of professional academic cultures. Researchers contributing to this collection evaluate various ways in which cultures of learning can be enhanced, placing particular emphasis on the role of technology in education in a post-pandemic society. Relationships between students, teachers, academic organisations, and political institutions are central to the research shared in this collection, which explores a series of solutions to a safer, more open, and more effective learning environment.

These papers will be of interest to academics, students, and professionals researching or working in the fields of education, language and literature, economics and business, management, psychology, sociology, and law.

Conference date: 5 October 2022

Location: Semarang, Indonesia

Organizer: Institute of Research and Community Service at the Universitas PGRI Semarang

Editors: Mega Novita, Nor Fadila Amin, Yulingga Nanda Hanief, Tri Yuniningsih, Ibnu Fatkhu Royana, Entika Fani Prastikawati, Reza Rachmadtullah, Ali Mujahidin, Sugeng Maryanto
