Dear

Greetings.

Thank you for submitting your paper to the Committee. Here are several updates related with ICOI 2018.

1.

We understand that all participant need to have their Letter of Acceptance (LoA) as soon as possible, for the purpose of administration process in the University, booking flights, etc.

Kindly check this web link for downloading your LoA=

<http://bit.ly/icoi2018-updates>

For downloading the LoA, click the above link, and open the PDF file titled "ICOI 2018 - Name

List.PDF".

You will find information of your ICOI-ID, then you can download your LoA from folder of "ICOI 2018 - LoA"

2.

Most of papers will need to do Minor Revision according to Reviewers Notes, and some of participant already received their Reviewer Notes, while some others will receive theirs on May 15th 2018.

Later on after you received your Minor Reviewer Notes, then you will need to Revised, Proofread, and Paid the Registration of your papers before June 1st 2018, otherwise it will be regarded as withdrawn automatically.

For proofreading process, we strongly advise you to use "Native Proofreader" to increase the opportunity for your papers to be accepted in the Indexing Process (SCOPUS / WoS - ISI Thomson).

One of our recommendation is to use <https://www.proofers.co.uk/>

We hope now you might want to check its website to familiarize with its process, to make it easier later on during submitting your article for the proofreading process.
