Dear Mrs. Widyorini,

Hope you are doing well!

This email is to provide you with the feedbacks from the scientific committee, which are as follows:

(Title: The Relationship Between Intelligence and Executive Function among Gifted Adolescents)

1. The committee is not sure if the second half of the paper is from a presentation or paper, the content of it is rather brief.
2. The number of research objects is incorrect, 132 people in total, but it only shows 34 boys and 29 girls.

Kindly confirm the information, and revise the short paper accordingly to the feedbacks.

Please send back the revised file on June 20 (Monday) at the latest.

Thank you so much for your help!

Sincerely,
Daphne Liu
