Dear Rien,

Dear Lastri and team,

Maybe a detailed description of the equipment and specific SMR training protocol can be provided in an appendix.

Kind regards,

Marijtje

Dear all..

I forward to you all result of our first attempt to KJMS.

It's a good thing that the editor wants us to revise in compliance to reviewers' comments, or in another word that after revising the ms as they suggested then the chance is that our ms might have an opportunity to be accepted.

I think April and her team may start to draft a rebuttal letter as well as revise the ms as suggested by its reviewers.

Looking forward to hearing comments and any ideas from you.

Best regards,

Dr. Augustina Sulastri, Psi.

Dear Dr. Augustina Sulastri,

Your paper entitled "Offering Neurofeedback as an Intervention for Children with Attention Deficit/Hyperactivity Disorder in Indonesia: A Feasibility Study" has been evaluated by the Editorial Board.

Unfortunately, in its present form, the manuscript is not acceptable.

We attach comments from the reviewers, which list points for revision. We believe that it will help you improve your manuscript.

If you wish to reply, please submit an electronic file (PDF) of the revised manuscript and a letter that lists point-by-point responses to the reviewer.

When submitting a revised manuscript, please follow the procedures below:

1. In the response letter, address the specific points made by reviewer.

Include your responses to each of the reviewer's comments, and list the changes you have made to the manuscript.

2. In the revised manuscript, please indicate the changes you made in red.

Thank you for submitting your paper to our Journal.

Reiko Kharbas

Dr. Sulastri,

Thank you for your contribution, the paper entitled "Offering Neurofeedback as an Intervention for Children with Attention Deficit/ Hyperactivity Disorder in Indonesia: A Feasibility Study".

We are happy to inform you that the above-mentioned paper has been accepted for publication by Kobe Journal of Medical Sciences.

We attach a submission form of the final typescript. Please submit the final typescript as described below. Draft copies will be sent by e-mail in a few months for authors' proof reading.

As a final typescript, please submit the following as attached to an e-mail.

- 1) Final typescript by MS Word.
- 2) Electronic version of figures (TIFF or EPS files at 600dpi). If there is no electronic figure, please submit photographs in their original sizes.
- 3) Typescript submission form.

To: AUGUSTINA SULASTRI <ag.sulastri@unika.ac.id>

Dear Dr. Sulastri,

Thank you for your paper entitled " Offering Neurofeedback as an Intervention for Children with Attention Deficit/Hyperactivity Disorder in Indonesia: A Feasibility Study".

We attach a draft copy of the above-mentioned article in PDF format (12 pages).

Please feel free to print it out and proofread it.

If it needs any corrections, please mark them on the sheets provided and send them to us by e-mail.

If you do not find anything needing correction, please let us know by e-mail that it is all right as it stands.

We also attach a page charge bill.
