DUE: May/13/2019 IGI Global Proofing: International Journal of e-Collaboration (IJeC) Volume 14, Issue 1 9781522542827

(Shared) Journal Proofing <journalproofing@igi-global.com> Thu, May 9, 2019, 2:04 AM

Dear Prof. Retnowati,

We would like to inform you that IGI Global is currently in the final production stages for the publication, **International Journal of e-Collaboration (IJeC) Volume 14, Issue 1**, edited by Zhao to which you are a contributing author. We are very pleased to present you with the proof of your contribution to this publication for your review. Please read the information below carefully before reviewing your manuscript.

Note: it is the responsibility of the authors to have their work professionally copyedited prior to final submission, therefore your manuscript should already be a print-ready final draft. No major changes to the text can be made at this stage. Grammatical revisions will be reviewed and implemented at the sole discretion of IGI Global's editorial staff and we cannot guarantee they will be implemented in the final version. IGI Global's house style includes items such as font style/size, title/subtitle styling, list formatting, general spacing, and figure/table placement.

Please check only the following items for accuracy and clarity:

- Names, Affiliations, and Biographies
- Manuscript Titles, Subtitles, and Headings
- Figures, Tables, and *Equations
