Dear Heny Hartono, SS, M.Pd,

Thank you for submitting your revised manuscript **COMMUNICATIVE COMPETENCE ASSESSMENT FOR TEACHERS OF BILINGUAL SCHOOLS IN INDONESIA** to AEJ. After carefully considering the recommendation of Dr Anamai, the reviewers and re-reading your revised manuscript, I'm very pleased to inform you that we would like to publish your paper in the **April monthly (91)** issue of AEJ (we apologize for this waiting period, this is the next available slot). Could you please confirm for our files that the paper has not been and will not be published elsewhere and that you agree to this publication. You will have a chance to do minor editing nearer the time of publication.

**Importantly, at this stage, could you send : 1. a 50 word bioprofile, 2. your affiliation address to the production head of the April edition Mohammad Mehdi Soleimani (mmsoleimani@gmail.com) asap.**

Our system has become very competitive. Papers go through competitive initial screening by senior editors, full double blind review, revisions and re-review and then a final screening by an associate editor and a senior associate editor. Currently only around 10% of submissions successfully negotiate our review process from submission to final acceptance. so we would like to congratulate you on this success and thank you for your continued support for our international mission.

Best regards,

John Adamson, Ed.D.

Dear Dr. Yi,

I'm so happy my revised manuscript for the AEJ journal has been approved and will be published in April 2016. Do you have any suggestion what should I write in the bioprofile ? Thank you. Gbu.

Best,  
Heny

Congratulations.

I suggest you read others' bios, especially ones published at the AEJ. You gather several examples of bios and analyze what info is included and follow some sort of patterns.

Hope it makes sense.
