Leonardus Murialdo Fransiskus Purwanto:

We have reached a decision regarding your submission to ARTEKS : Jurnal Teknik Arsitektur, "Transfer panas pada atap rumah tinggal dengan pendekatan software HT-Fluks".

Our decision is: Revisions Required

ARTEKS

Program Studi Arsitektur Fakultas Teknik Universitas Katolik Widya Mandira

tarsitekturunwira@gmail.com-----
Reviewer A:Recommendation: Revisions Required

1. The topic is relevant to the scope of the journal

Yes

Your Comment on Topic:

2. The article is written in English or in Indonesian [with maximum of 4000 words]

No

Your Comment on maximum words:

Please full article in english

3. The title is precise, concise, and clear which adheres to the substance of the topic and does not provide multiple interpretation

Yes

Your Comment on Title:

4. The content is original

Yes

Your Comment on original:

Similarity found: 13%

5. The abstract describes the content of the article [with maximum of 200 words in length]

Yes

Your Comment on abstract:

Please full article in english

6. The key words are written in English and Indonesian

Yes

Comments on key words:

Please full article in english

7. The Introduction section covers:

a. Background of the study, problem statements, objectives and significance of the study, research design, literature review, and hypothesis [if any]

Yes

Comments on Introduction:

Please full article in english

b. Hypothetical stands that become the research questions

Yes

Your Comment on Introduction:

c. The introduction section is extended from the abstract so no sub-sections follow

Yes

Your Comment on Introduction:

d. Statement of novelty and state of art

Yes

Your Comment on Introduction:

Please full article in english

8. Research Method:

a. The data are up-to-date; the selection of samples represents the issue and object of the study

Yes

Comments on Research Method:

Please full article in english

b. The method used is robust and vigorous

Yes

Your Comment on Research Method:

9. Result and Discussion:

a. The result of the analysis answers the research questions

Yes

Your Comment on Result and Discussion:

Please full article in english

b. Data are displayed in tables, diagrams or figures [each table, diagram, or figure is referred in the body of the article]

Yes

Your Comment on Result and Discussion:

Please full article in english

c. The findings of the study contribute to the development of scientific knowledge

Yes

Your Comment on Result and Discussion:

10. The conclusion made is based on the result analysis and discussion. [there is a consistency among the research problems, objectives of the research, and the conclusion]

Yes

Your Comment on Conclusion:

Please full article in english

11. References:

a. At least 20 references cited are research report articles, and at least 40 are literature reviews

Yes

Your Comment on References:

b. Eighty percent of references contain primary references [journal articles, articles from proceedings, thesis, and dissertations]

Yes

Your Comment on References:

c. Eighty percent of references are current [published within the last five years]

Yes

Your Comment on References:

12. The length of Introduction and Method sections is 40% of the whole body of the article and findings and conclusion sections is 60%

Yes

Your Comment on Article Proportion:

13. Note and Recommendation:

Please full article in english
