International IEEE ICT & Knowledge Engineering Conference <ict-ke@siam.edu>

Sat, Nov 12, 2022, 3:56 PM

to bcc: me

Dear Presenter/Author/Guest,

Please, find attached the revised version of the timetable for the 20th Intl. IEEE ICT&KE 2022 Conference.

*** Also, for "online presenters" the following hints can be useful:

- 1) For online presenters, no registration and signature is needed. The registration and signature process includes only onsite presenters.
- 2) Online presenters need to carefully check the exact day and time of their presentation and be present online at least 30 minutes prior to the beginning of their online oral presentation.
- 3) Online presenters need to read carefully all the information and details provided on the attached timetable PDF file, to know how they can present their paper(s) online using MS Teams platform, and also how to Share Your Screen while making the presentation. Make sure your Microphone and Audio system are working properly.
- 4) As evidence and proof of oral presentation, we need to keep a copy of your PPT Slides in our Archive. Therefore, the presenter of the paper needs to send us a copy of her/his PPT Slides via email to: ict-ke@siam.edu within 3-4 working days. However, please keep in mind that, on the day of the conference and while presenting your work, you need to share your screen and present your paper by going through your ppt slides.
- 5) If you want to change the format of your presentation from online to onsite or vice versa, no need to request a new/revised version of Timetable. Just simply inform us via email to: ict-ke@siam.edu. At this point, not any further changes can be applied on the Timetable. But we can consider your changes if any.

Best regards,

Dr. Parham Porouhan, Ph.D.

Secretariat of the 20th International IEEE ICT&KE 2022 Conference

to Ridwan, me, freddy ▾

Dear Authors,

While we are processing the proceedings, we need 2 confirmations from you:

- 1) Who will be the presenter of your paper?
- 2) Would you rather do an online or onsite presentation?
- 3) What day is more convenient to you? 23rd or 24th?

Best regards,

Dr. Parham Porouhan, Ph.D.
