Dear Editor Staff of Education and Practice Journal,

With this email I am sending an article based on the results of a research funded by the Indonesian Education and Culture Ministry.

I send this article to your journal because my article presents practical facts in educational research. The information from the results of

this research will be beneficial for the society especially for other researches, for those who concern about education, school counselors

and teachers. Therefore, I hope you may consider this article to be published in your journal. Thank you for your attention and assistance

to publish this article.

Regards,

Lucia Hernawati

Dear Mr. Decker,

I sent my complete article with title "The Predictors of Indonesian Senior High School Students' Anger At School"; publication fee payment US \$185 (to get the facilities of online publication and 3 paper versions); and copyright agreement on August 20, 2015.

You responded my email on August 21, 2015. You told that my article would be published on August 31, 2015.

Could you tell me where I can get my published article?

When I access Journal of Education and Practice. Paper 2222-1735 ISSN (Online) 2222-288X. There is vol 6 no 21 (2015) but my article is not there.

I look forward to hearing from you soon.

Academic Paper Acceptance Letter

Dear Lucia Hernawati; Esti Rahayu; Petrus Soejowinoto,

It's my pleasure to inform you that, after the peer review, your paper,

Enhancing Indonesian High School Students' Understanding on Anger Management at School

has been ACCEPTED with **Journal of Education and Practice**, ISSN (Paper)2222-1735 ISSN (Online)2222-288X.

In order to fit into the publishing and printing schedule, please re-submit your complete publication package by directly replying this acceptance email within 15 days so we can make your article available online/print in the next issue (usually at the end of each month) . If you failed to prepare your complete files on time, the publication of your article might be delayed.

Though the reviewers of the journal already confirmed the quality of your paper's current version, you can still add content to it, such as solidifying the literature review, adding more content in the conclusion, giving more information on your analytical process and giving acknowledgement.

To help the editor of the journal process your final paper quickly, you need to prepare your paper based on the attached "publication_package_instruction.pdf".

Again, thank you for working with IISTE. I believe that our collaboration will help to accelerate the global knowledge creation and sharing one step further. IISTE looks forward to your final publication package. Please do not hesitate to contact me if you have any further questions.

Sincerely,

Alexander Decker,
