ACKNOWLEDGEMENT

“FINALLY...” is the best expression to describe the end of my long and awkward study process in this faculty, in which I’ve enjoyed and will remember until the rest of my days. Time has granted me the chance of feeling love, friendship, and togetherness through out the whole process. For this, I am deeply in debt to the beautiful beings I’ve involved with during my study in this city. Each of these wonderful souls has touched my heart with their love, kindness, care, understanding, and excellence. I am a true admirer of them all.

My beloved teachers, friends, companions of common thoughts, and family...
