Wise Word

Marilyn vos Savant:
To acquire knowledge, one must study; but to acquire wisdom, one must observe.

Kahlil Gibran:
The teacher who is indeed wise does not bid you to enter the house of his wisdom but rather leads you to the threshold of your mind.

Hunter S. Thompson:
No man is so foolish but he may sometimes give another good counsel, and no man so wise that he may not easily err if he takes no other counsel than his own. He that is taught only by himself has a fool for a master.
ACKNOWLEDGEMENT

First and foremost, I would like to give the honors and praises to Almighty God who has always been my source of power. I would like to express my sincerest gratitude to everyone who has helped me in finishing the thesis.

1. Mr. G.M. Adhyanggono, SS, M.A, the major sponsor who has guided and given me suggestions and supports.

Abstract

This thesis analyzes the novel, entitled *The Great Expectations*, which is the work of Charles Dickens. This novel was published in three volumes during the mid-nineteenth century. This novel tells the story of social images especially of social issues, poverty that occurred on a main character named Philip.

*The Great Expectations* tells about the main character named Philip. He is a man who was born as a boy in a very poor family.

The study has two goals, first is to inform the various poverty that occurs in the story. And second is to illustrate or describe all sorts of poverty experienced by Philip as a representation of the condition of society in the nineteenth century era. The author uses Sociological approach to analyze various kinds of problems or poverty that occurred in the Victorian era or the era of the mid-nineteenth century.

The result of analysis indicates various types of poverty, besides that of financial aspect such as spiritual, moral, culture.
Abstrak

Novel *The Great Expectation* menceritakan tentang karakter utama yang bernama Philip, dia seorang anak laki-laki yang dilahirkan dalam keluarga yang sangat miskin.

Dan setelah menganalisa novel *The Great Expectations* penulis dapat menyimpulkan bahwa ada berbagai macam jenis kemiskinan, kemiskinan didalam dunia tidak hanya kemiskinan berdasarkan kemiskinan yang berdasarkan keuangan atau financial saja, melainkan ada juga kemiskinan seperti spiritual, moral, kebudayaan.
