## ACKNOWLEDGEMENT

First of all, I dedicated my very big thanks to my God, The Almighty Jesus Christ who has given all experiences that can teach me to honor every second that happens in my life. His blessing makes me become more than a winner in whatever I do. He is a very good God to me. When I feel down, He strengthens me by His power and when I feel sad He cheers me up. He also helps me to finish my thesis on His time.

Second, I would like to express my gratitude to my major and co-major Sponsors Heny Hartono, SS, M.Pd. and Emilia Ninik Aydawati, SP, M.Hum. who always guided me patiently. They always give many suggestions to me and help me to finish my thesis. They are also willing to spend their time discussing and checking my thesis. I also feel very pleased when they correct my grammar and give more suggestion to me.

I would like to say very big thanks to my father, Himawan Nugroho who always prays for me and for my lovely mother, Tutut Kasyani, S. who always encourages, prays, supports, loves and trusts me in everything I do. The other thanks are for my little brother, Andrew.N.N who never stopped supporting me while I was completing my thesis.

The next is for all of my second family in GMS Semarang. Thank you for praying and supporting for me so I could finish this thesis well. I feel very lucky to have all of you as my brothers and sisters.

Many thanks are for the Faculty of Letters' students who have willingly helped me to finish my thesis. I also want to express my thanks to the owner of "Little Star", Mrs. Maena Budiono and all of the staff there who always support and help me in finishing my thesis.

The last but not least, I would like to express my very big thanks for every person surrounding me who already has make my life becomes so colorful. First, I would like to thanks my friends in Faculty of Letters 2006, Andre Aghatha, Sylvia Adhita, Irene Abigail, Julius Ardi, Agatha Astrid, Marcelly, Giovanni.A and many more. Thank you for all of the support, the very precious moments that all of you have given to me. Thank you my sisters and my brothers. Many thanks go to Cik Agnes Magdalena as my leader in youth services, thank you for your support and your advice to me. For my Youth Connect Group, thank you for all of your prayer, your support and encouragement that have given to me. I also want to say many thanks to all of my friends in "Wisma Hijau" boarding house, who always support, encourage and pray for me.

Finally, my very big thanks for my leader in Children services, Timotius Wahono and all of my partner there, Cik Eleonora Evi, Cik Marta Dwinata, Cik Desyiana, Valentin Febri, Ellen Veronica, Hendra Haryanto, Gorby Gonzales, Berlina de Viega, Mhymi Mary Kosapilawan, Trifosa Rohawati, Agustina Kristiana, Chrysilla Septiani Widyaardja, Zhen Mei, and Vonny Iskandar Cipto. Thank you for all of your pray, your friendship and your kindness to me. I love all of you. God bless you all.

## **Abstract**

The study aims to see the correlation between the students' motivation in learning English and their GPA in Faculty of Letters students through an investigation in the form of a questionnaire. The questionnaire consists of favorable statements and unfavorable statements in motivation distributed to 115 Faculty of Letters' students. The 115 subjects of both genders were chosen randomly among all active students. The data were analyzed with SPSS 13.0 to find the correlation between the students' motivation in learning English language and their GPA. The results show that the students have high motivation in learning English. However, the average GPA is also high and there is a weak correlation between motivation and the students' GPA.

Key words: Faculty of Letters; GPA; motivation; students

## Abstrak

Penelitian ini bertujuan untuk mengetahui korelasi antara motivasi mahasiswa dalam belajar bahasa Inggris dan IPK mereka di Fakultas Sastra, melalui penyelidikan dalam bentuk kuesioner. Kuesioner terdiri dari pernyataan yang mendukung dan tidak mendukung dalam motivasi. Pernyataan – pernyataan tersebut disebarkan ke 115 mahasiswa Fakultas Sastra. Pemilihan 115 mahasiswa dari kedua jenis kelamin dilakukan secara acak di antara semua siswa aktif. Data dianalisis dengan SPSS 13.0 untuk menemukan korelasi antara motivasi mahasiswa dalam belajar bahasa Inggris dan IPK mereka. Hasil menunjukkan bahwa siswa memiliki motivasi yang tinggi dalam belajar bahasa Inggris. Namun, IPK rata-rata juga tinggi dan ada korelasi yang lemah antara motivasi dan IPK mahasiswa
