N of Cases = 586.0

Reliability Coefficients 13 items

Alpha = .8422      Standardized item alpha = .8453

## B. Significant Hypotheses

Table 52  
Tables for significant and insignificant hypotheses

No	Hypotheses	Loneliness dimensions		
		Dim1	Dim2	Dim3
1	Marital status	Significant	Insignificant	Significant
2	Sex	Insignificant	Insignificant	Significant
3	Stepbrothers/sisters	Significant	Insignificant	Significant
4	Death of biological parents	Significant	Insignificant	Significant
5	Age when parents got divorced	Significant	Significant	Significant

### C. Illustration of SALS questionnaire

Table 53  
Instructions of SALS questionnaire

#### INSTRUCTIONS

1. Fill in your identity.
2. Read the instruction below carefully.
3. Answer the questions on the last page with brief answer.

Enclosed we have statements and questions; you will be asked to give a response to each statement. Read the statements and the questions carefully.

Decide only one of four given alternatives for each statement with a cross mark as your choice, the four given alternatives are:

VA : If you feel **very applicable** with the statement.

A : If you feel **applicable** with the statement.

NA : If you feel **not applicable** with the statement.

ENA : If you feel **extremely not applicable** with the statement.

The option you make should be based on your thoughts, conditions, feelings, and your viewpoints at the present with no influence from other people. We expect you to answer honestly, for this questionnaire is not a test. There are no high or low-quality responses; all responses in this questionnaire will be considered acceptable and will be kept as a secret.

If one way or another you want to change your answers, you can cross your prior response and make a new one, which is more applicable to you. Please do all of the statements, do not miss one of

it. Make sure if there is none of the statements you overlook by mistake, then you are allowed to answer the questions on the last page. We are very pleased and thankful for your help and cooperation.

Table 51  
Loneliness Scale

I. Identity

Age :

Class :

Sex :

II. Questionnaire

No	STATEMENT	VA	A	NA	ENA
1	I have never talked to my parents about my problems.				
2	I feel happy cause my friends love me.				
3	I feel reluctant to start a conversation with anyone new.				
4	I'm always involved in any given tasks at school.				
5	I could hardly find a best friend.				
6	I have a friend I can tell everything to.				

7	I don't know how to behave in new situations.				
8	I easily get along with new people.				
9	I feel lacking parental attention.				
10	My parents are ready to listen to me or to help me.				
11	I feel insecure in public.				
12	I like to chat with anyone new.				
13	I feel my parents are too busy with their own things.				
14	My family is everything to me.				
15	I feel isolated in new situations.				
16	It's easy for me to make new friends.				
17	I feel like loosing friends lately.				
18	I feel happy when I'm being among friends.				
19	I'm too shy to start a conversation with other people.				
20	I talk to my friends quite often at school.				
21	When I'm with my family and friends, I feel they don't pay enough attention to me.				
22	Happiness lies in your own hand.				
23	I feel like an alien in my neighborhood.				
24	I'm well liked by my friends.				
25	I envy my friends when they're talking about their families.				

26	I do most of my activities with my friends and family.				
27	I feel unhappy even though I have many friends.				
28	I still can enjoy myself in a new condition of place and time.				
29	I feel all alone when I'm doing activities.				
30	I feel like my friends want to be with me because I'm friendly.				
31	It's hard for me to make a close relationship with anybody.				
32	It's easy for me to make an intimate relationship with sex opposite partner.				
33	I'm not close to my mom or dad.				
34	I know lots of people who care about me.				
35	I'm afraid of lacking friends.				
36	It's easy for me to show my self in public.				
37	I feel isolated when my friends are talking about their families.				
38	I'm looking for a moment to be alone so I can think about my self all over again.				
39	I think my friends don't want me to join them.				
40	It's easy for me to make new friends.				
41	Separation is something that I don't like.				

42	I have a friend to whom I can get help for my problems.				
43	I think there is no single friend who can understand me well.				
44	Traveling alone or with friends is the same thing for me.				
45	I have many friends but I still feel lonely.				
46	I enjoy myself when I'm alone.				
47	I don't feel comfortable being among friends whom I'm not really acquainted with.				
48	I have no difficulty to adjust my self in new conditions.				
49	I do hope I have someone who is really interested in hearing about my private thoughts and feelings.				
50	I won't get jealous with my friends who come from happy families.				
51	Suppose I'm in a meeting or a party and everybody knows and talks to me, I still feel alone.				
52	I like helping people and get a hand also from them.				
53	I feel alone although being among friends.				
54	I can find a friend when I need one.				
55	It's hard for me to make a close relationship with someone that I just knew.				

56	I have lots of friends at school.				
57	When holiday comes I'm lonely with no friends and family around.				
58	I have at least one person who wants to be with me.				
59	I feel alone when I'm in a new neighborhood.				
60	I like to share my opinions in many things with my friends.				
61	I doubt whether my parents care enough about me.				
62	I chat with my parents very often.				
63	I feel that I will be rejected by sex opposite partner if I try to make the first move.				
64	I like to socialize with my neighbors.				
65	I think my friends are not that close to me anymore like they used to be.				
66	I have a best friend who shares feelings with me.				
67	I feel useless when I'm with my friends.				
68	I will not feel embarrassed if there is a sex opposite partner who turns me down.				
69	I feel I'm not worth to be loved.				
70	I know that I can still enjoy my life in any given situations.				

71	I often feel insecure when I'm introduced to new friends.				
72	I like to talk to my friends about my problems.				

Additional questions on parental divorce related to loneliness

1. Have your parents divorced at this time?
2. How old were you when your parents got divorced?
3. Had your mom or dad ever married to someone else's before?
4. Do you have step brother or sister?  
From whom?
5. Who do you live with? Parents / Others.  
If others, please explain briefly.
6. Has one of your parents already past away?  
If yes, has the remained parent remarried again?
7. Most people believe, children from divorced family will have a bigger chance to experience loneliness. Do you feel the same?
