APPROVAL AND RATIFICATION

PROJECT REPORT HOTSPOT SETUP WITH MIKROTIK ROUTERBOARD

This project report already approved and ratified by Dean of Faculty Computer Science and Supervisor on January , 2012

With the approval,

Examiners,

Examiners,

Suyanto Edward Antonius, Ir, M.Sc
NIP : 058.1.1992.116

R. Setiawan Aji Nugroho, ST., McompIT.
NIP : 058.1.2004.264

Examiners,

Hironimus Leong, S.Kom, M.Kom
NIP : 058.1.2007.273

Supervisor,

Dean of Faculty of Computer Science,

Shinta Estri Wahyuningrum, S.Si., M.Cs
NIP : 058.1.2007.272

FOREWORD

I want to say thanks's for

1. The Jesus Christ in my Final Project with title “HOTSPOT SETUP WITH MIKROTIK ROUTERBOARD ” can be finished according to properly time.
2. Thanks to all my family for their pray and support.
3. Shinta Estri Wahyuningrum, S.Si as my supervisor, to help and give me a solution.
4. For all lecturers, teaching me and give me knowledge while I'm studying in Faculty of Computer Science.
5. All of my love friends which help and support me to finish this project, and also for people who have helped me in prayers and support.

ABSTRACT

Computer network is a collection of two or more computer that are interconnected with one another to perform data communication using the communication protocol through the medium of communication protocol through the medium of communication (wired or wireless).

So the computer can be each other's information, data, program's and use of hardware together. In this case, the communication of data that can be done through a computer network can be either text, picture's, video and sound.

Mikrotik is a network operating system (operating system network) which is widely used by Internet Service Providers for the purpose of a firewall or network router. Mikrotik router to make a reliable network that come's with sharing feature and tool's, for both wired and wireless network's. In this tutorial introduces the discussion and simple instruction's and simple in configure mikrotik's for certain commonly evidenced in the server or router or other networking cafe.

FOREWORD	ii
ABSTRACT	iii
TABLE OF CONTENT	iv
LIST OF FIGURE	vi
CHAPTER I INTRODUCTION	
1.1. Background	1
1.2. Scope	1
1.3. Objective.....	2
CHAPTER II LITERATURE STUDY	
2.1. Definition Of Mikrotik	3
2.2. Features Of Mikrotik	3
2.3. Advantages and Disadvantages Of Mikrotik	6
2.4. Specification Of Mikrotik Routerboard RB750G	6
2.5. Specification Of Access Point TL-WA5210G	7
CHAPTER III DESIGN	
3.1. Star Topology	9
3.2. Mikrotik Topology.....	11
CHAPTER IV TUTORIAL CONFIGURATION MIKROTIK	
4.1. Setting AP(TP-Link TL-WA5210G).....	14
4.2. Seting Mikrotik Router.....	20
CHAPTER V CONCLUSION	38
