International Conference on Biopsychosocial Issues <iconbi@unika.ac.id>
To: Lucia Hernawati <herna@unika.ac.id>

Wed, Sep 28, 2022 at 3:03 PM

Dear. Lucia Hernawati

Thank you for revising your article.

We have copyedited your article according to the layout used in the Proceeding of Biopsychosocial Issues. For this reason, we ask your willingness to review and re-check that your draft article is appropriate so it can enter the publishing process.

Please pay attention to the title, author's name, university, email, and article content to be published. If there are any mistakes or errors, you can highlight them in your article file and leave a comment next to the highlight.

Please confirm via this email before **30 September 2022**. If you do not verify the specified date, we assume that there is no correction from you and the article is ready to be published.

Thank you for your cooperation.

Regards,

Dear, Lucia Hernawati

We hope you are in good condition. Congratulations because your article entitled “**Descriptive Study on The Implementation of Health Promotion in The School During The COVID-19 Pandemic**” has been published in the Proceedings of Biopsychosocial Issue. Through this email, we send you a softcopy of the Proceedings of Biopsychosocial Issue. You can also open and download your article at this link: <http://conference.unika.ac.id/index.php/ssic/index/>

Thank you for your participation in the 2nd International Conference on Biopsychosocial Issues (IConBI 2022). We look forward to meeting you at the 3rd International Conference on Biopsychosocial Issues. We wish you all the best in your academic endeavors.

Warm regards,
Committee of 2nd International Conference on Biopsychosocial Issues (IConBI 2022)

Dear, Lucia Hernawati

Thank you for participating in the 2nd International Conference on Biopsychosocial Issues. We are pleased to inform you that your full paper entitled "**Health Promotion Through Schools During The Covid-19 Pandemic**" is in review to be published in the Proceeding of Biopsychosocial Issues.

We also want to inform you that the process of reviewing and publishing your full paper will use the SCU Conference System (<http://conference.unika.ac.id/index.php/ssic>). Therefore, in the near future, you will receive an email notification about your personal account (username & password) for further processing of your full paper.

Further information about the review and revision (if needed) will be informed through this email. If you have any questions, don't hesitate to contact our team. Thank you for your patience and attention.

Warm regards,
Committee of 2nd International Conference on Biopsychosocial Issues (IConBI 2022)
